

Principal's Message

Welcome to Mt. Pilchuck Elementary School and thank you for your interest in learning more about our wonderful school. Please do not hesitate to contact us in person if you need additional information.

We are very proud of the students, staff and parents at our school. Working together, we form the "Mt. Pilchuck Learning Community", meaning we all have a part in the success of each student. Together, we strive to make "The Mountain" a friendly, caring, supportive school where children feel challenged, safe and cared for. We maintain high expectations and a meaningful, challenging curriculum that promotes the joy of life-long learning and builds the foundation for success beyond our school.

Recently remodeled, Mt. Pilchuck is located a few blocks from Lake Stevens Middle School in the downtown area of Lake Stevens. Our dynamic, positive learning community serves 530 students in grades K-5. We invite you to take your time in visiting our new website and know that you are welcome to come and see our beautiful school.
