Mountain Memo

Welcome to a new school year! Summer is winding down and we are getting excited to see all of our students again! The office will open August 24th for new registrations. Until then, new families and incoming kindergartners can register at our Education Service Center (just west of the Fire Station). Please encourage your friends and neighbors to register new students as soon as possible! As soon as we are reasonably assured of registrations and class sizes, we will get your teacher assignments to you!!! At this point, we hope to send these to you at the end of this month. Don't forget to check out our School Supply Lists, published on our website. Finally, mark your calendars for our family "Walk Through" on Thurs., Sept. 3 from 3:15-4:00. It is again a great opportunity to meet your teachers and see the classrooms!

Kindest Regards,

Chris Larson, Principal
