

Lake Stevens School District's Athletic Participation Fee Schedule Grades 7 - 12

Due to the rising costs associated with the Lake Stevens School District's athletics programs, and the statewide educational budget reductions, the School Board has approved an Athletics Participation Fee. The fee must be paid when the athlete makes the team and before the first competition.

Parents of students who qualify for Free and Reduced Lunch and have a current form on file with the district office are eligible to pay a reduced participation fee. A copy of the verification letter must be enclosed with the reduced athletic fee payment. If you wish to apply for free and reduced lunch, please pick up an application at any school, the School District office, or online on the Lake Stevens District Website at: www.lkstevens.wednet.edu/lunch/reduced.html
