

Third Grade Supply List 2009/2010

In the spirit of cooperative learning, we will be pooling our supplies into a classroom set that will be used throughout the year. We are requesting that you DO NOT label individual items with your child's name, as they will be shared.

It would be very helpful if you could bring these supplies in during the open house in the fall prior to the first day of school. If you do not have the supplies by then, please send them in with your child on the first day of school. Thank you very much!

Please note: Each individual teacher may request additional supplies that are not on this list. You will be notified of these items either toward the end of the summer, or at the beginning of the school year. Thank you for your cooperation.
