[10th grade scheduling form is HERE](#)

The high school offices will be open until June 27th and will reopen on August 21st. Our offices will be temporarily located at Highland Elementary, two blocks north of the high school at 3220 113th Ave NE until August 27th. You may drop off your completed packet and scheduling form at Highland, fax it to 425-335-1601 or email it to our registrar, Diana Borges, at diana_borges@lkstevens.wednet.edu. PHONE: 425-335-1653.

The high school counselors will be available to meet with new students to build their schedules by appointment from 8:00 - 11:00 am on August 24th at Highland and on August 27th and 28th at LSHS. The registration packet must be approved and we must have records from your previous high school before you schedule an appointment. Contact Diana Borges (see above) to schedule an appointment. If you don't make an appointment, your schedule will be available on the first day of school. Click here ([link to planning handbook](#)) for the 2018-2019 planning handbook that includes the courses available at LSHS, graduation requirements and other valuable information.

Please read the checklist of necessary documentation carefully, because students cannot be registered until ALL paperwork has been received. This includes the records from the student's former school - especially their transcript, immunization, discipline and Special Education records. We will request those documents from the former school when we return in August.

If you have any questions, please call Diana Borges, Registrar, at 425-335-1653. She will be available until June 27th and will return on August 22nd. You may call the District Office for assistance during the summer at 425-335-1500.

Go Vikings!
