

2019-2020 New Student Registration

Welcome to Lake Stevens High School!

Click Here ([link to enrollment documents on the District website](#)) for an enrollment packet.

The high school offices will be open until June 27th and will reopen on August 20th. You may drop off your completed packet at LSHS, fax it to 425-335-1601 or email it to our registrar, Diana Borges, at diana_borges@lkstevens.wednet.edu. PHONE: 425-335-1653.

The high school counselors will be available to meet with new students to build their schedules on a first come, first served basis from 8:00 - 11:00 am on Friday, August 23rd and on Monday, August 26th at LSHS. The registration packet MUST be approved and we must have records from your previous high school before you come to see your counselor for scheduling. If you are unavailable on those two days, you may email your counselor (contact info below) to schedule an appointment. Click here ([link to planning handbook](#)) for the 2019-2020 planning handbook that includes the courses available at LSHS, graduation requirements and other valuable information.

Please read the checklist of necessary documentation carefully, because students cannot be registered until ALL paperwork has been received. This includes the records from the student's former school - especially their transcript, immunization, discipline and Special Education records. We will request those documents from the former school when we return in August.

If you have any questions, please call Diana Borges, Registrar, at 425-335-1653. She will be available until June 27th and will return on August 20th. You may call the District Office for assistance during the summer at 425-335-1500.

Go Vikings!
