

DISTRICT DATA SHARING AGREEMENT

**School District Authorization for the Office of Superintendent of Public Instruction
to Release Identifiable Student Data**

Lake Stevens
(school district name) hereby authorizes the Office of Superintendent of Public Instruction (OSPI) to release identifiable student information on behalf of (school district name) School District directly to WSIPC. This release shall be specific to the purposes outlined within the data-sharing agreement between OSPI and WSIPC for allowing WSIPC to store the data longitudinally so that (school district name) educators may retrieve and analyze their data and shall only apply while the agreement is valid or until rescinded by the school district.

(School district name) School District has determined that this data release is permissible under FERPA; OSPI assumes no responsibility for (school district name)'s determination.

Data Requested

(School district name) gives permission to the above named entity to work directly with OSPI to obtain the following identifiable student data: Smarter Balanced, MSP, MSPB, HSPE, HSPB, EOC (all types including basic), WA-AIM, BASIC (L2), DAPE, PORT, Off Grade Level Assessment, WELPA, ELPA21, WaKIDS, and Student Growth Percentiles. All assessments listed need to contain all available grade levels tested and fields pertaining to district identifiers, state student identifier, student name, student gender, student DOB, grade level, test type, test name, test subject, school year taken, raw score, scale score, performance level, strand/claim name, strand/claim score, strand/claim performance level, percentile ranking, student growth, grade level equivalent. Assessments should be pulled starting in 2014-15 school year and continuing until sharing agreement is rescinded by the school district.

Yes No Free Reduced Meal eligibility data may be included in the data provided

Yes No Special Education program data may be included in the data provided

This consent form is valid from 2014-15 until rescinded.

I affirm that I am authorized to approve the release of student data on behalf of (school district name) School District.
