

School Meals for 2021-22

Exciting news! *There is no charge for school meals for the 2021-22 school year.*

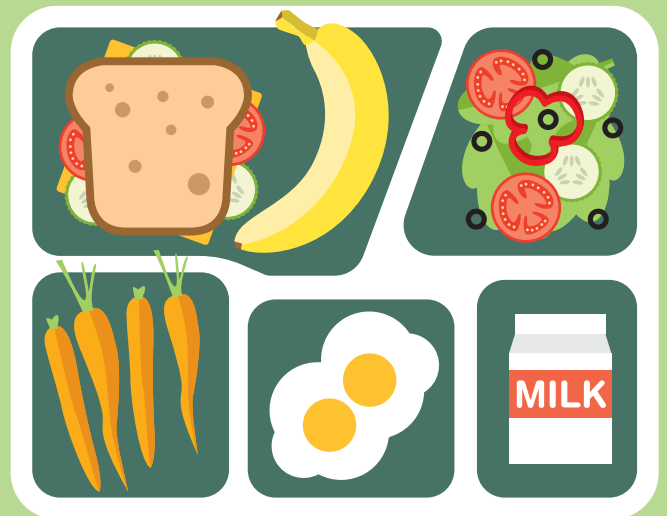

All students enrolled in Lake Stevens School District can receive **breakfast and lunch** each school day, **at no charge** during the 2021-22 school year to ensure all students are fueled and ready to learn.

- **All Paid, Free or Reduced Eligible enrolled students can access school meals completely FREE due to USDA extended funding.**
- Meals will be served through normal cafeteria service locations.

Our Goal

Food & Nutrition Services goal is to serve ALL students quickly and efficiently.

- **All transactions will be for student meals only.**
- Menu and entree items will be simplified for quick service until we can expand with custom options again.
- A la Carte and Adult Meal purchases have been paused and will NOT be available this fall, until we know we can serve all students that want a free meal first.
- Meal account deposits are not necessary at this time, and Food & Nutrition Services temporarily disabled this online feature.

Applications

2021-22 Free and Reduced Household applications are available!

www.lkstevens.wednet.edu/free-reduced

- **Why do we need to fill out an application if school meals are going to be served at no charge?** Food Services wants to process Free and Reduced Household Applications so students can access district or community reduced fee benefits available to them.
- *Reduced Fee Benefits may include: Chromebook Protection Plan, AP Testing, Summer School, ASB Cards, ASB Dances, ASB Competitions, ASB Conferences, ASB Plays, ASB Home Games, ASB Uniforms, ASB Field Trips, ASB Dues.*
