

Special Notice to Kindergarten Parents

Kindergarten students need to be met at the bus stop by a parent/guardian or other adult. Alternately, KG students can be released with an older sibling. If you are a parent of a KG student, please communicate to the Transportation staff if someone other than you will be meeting your student, or if your student should be released with an older sibling. Please be prepared to show identification. Thank you for your cooperation.

SCHOOL BUS STOPS

Students should be waiting at their stops five (5) minutes prior to the published stop time for the stop.

Drivers are instructed not to arrive any earlier than the five minutes and also not to wait at stops for students who are not there. Please help us to be on time by being at your stop (5) minutes early.

Students are allowed to depart the bus only at their assigned stop. Exceptions to this can only be made by pre-arrangement with a note from the parent. For elementary students the note must be delivered to the school, where a bus pass will be issued. For middle school, mid-high and high school students the note can be given to the bus driver. Only by this method will a student be allowed off the bus at a different stop.
