

LSMS Supply List

2020-2021

As our school year begins virtually, please don't be stressed about gathering various school supplies. It is helpful for students to have an organizational system at home that may include a ringed binder, accordion folder or separate folders for each class. It will be important to have something to write with (pencil/pen) and paper. To save on paper, you may choose to use a dry erase board with a dark colored dry erase marker for some of the LIVE lesson activities and quick practice opportunities. Teachers will provide information through Google Classroom when the other materials are needed.
