Come check out summer books at the Bulldog Library!

Parents can park in the back parking lot.

From the parking lot go up the stairs...

Down the path...

And enter through the library back door!

Book checkout is open to all incoming NLMS 6th graders, NLMS 7th graders, and to NLMS students who will attend Cav in the fall. Masks are required on school grounds and inside the library.

Students can join the NLMS Library Google Classroom for book recommendations, upcoming contests, and activities.
