

Dropping off + picking up

OUR GOAL:

Be Safe & Efficient

- Approach Highland **ONLY** when traveling southbound on 113th, using the roundabout at SR 92 if needed to loop around
- Right turns only out of the parking loop
- Please pull all the way forward and close the gap between you and the car in front of you
- Pull forward all the way to where the driveway bends near the flagpole
- Stay in your car - staff can assist you in loading/unloading from any door
- Students should only enter/exit vehicles in the green curbed section unless directed by staff
- Consider having your student on the passenger side of the vehicle - we understand this is not always possible
- As you are pulling into the loop, please don't block the sidewalk as it forces kids to go between cars and/or into the road

DROP OFF

9:00 campus open, 9:10 classrooms open, 9:15 class starts!

- The far right lane is for active loading and unloading only - drivers remain in their cars
- Have your child ready to go (backpack, coat, etc.) Staff can assist in putting on coats and backpacks if needed. Say your goodbyes before it's go time!
- If your child can unload on their own you don't need to wait for staff to open doors - as long as it's after 9:00 am
- Students will be supervised on their way to line up and/or breakfast

PICK-UP

Dismissal is at 3:30 pm

- Consider placing a simple sign with your child's name and grade level in your window
- Your child will be waiting near the flag pole
- We load the first 4-5 cars only (along the green curb) in order to keep the line moving efficiently
- Tell your child who will pick them up and what kind/color of vehicle to watch for
- (Kinders are ready at 3:25 at the north gate)

Please share this info with others in your child's "village" who may pick up or drop off.
