

# Picking up + dropping off

## OUR GOAL:

Be Safe & Efficient

- Approach Highland **ONLY** when traveling south on 113th, using the roundabout at SR 92 if needed
- Right turns only out of the parking loop
- Cars don't need to physically distance :) so please close the gap between you and the car in front of you
- Pull forward all the way to where the driveway bends near the flagpole
- Stay in your car - staff can assist you in loading/unloading from any door - just look for a bright vested adult!

## DROP OFF

8:15 for 8:30 session, 12:45 for 1:00 session

- Have your child ready to go (backpack, mask, etc.) Staff can assist in putting on coats and backpacks if needed. Say your goodbyes before you're up!
- If your child can unload on their own you don't need to wait for staff to open doors as long as it's after 8:15 and 12:45
- The bus loop is for SLC family drop off **ONLY**
- Running late? Still use the front loop only. We have adults at check in stations for 10 extra minutes

## PICK-UP

11:00 am, 3:30 pm

- Consider placing a simple sign with your child's name and grade level in your window to help us quickly match your child to your car
- Your child will be waiting in a grade level line near the pickup area (older siblings will be waiting with youngers in the younger grade line)
- We will load the first 4-5 cars only in order to keep the line moving efficiently
- Tell your child who will pick them up and what kind/color of vehicle to watch for

Please share this info with others in your child's "village" who may pick up or drop off.
