## Refunds

If insufficient enrollment for a class occurs, the class will be canceled, participants will be notified and money refunded. Refunds will be given only if a class is canceled. Sorry, no exceptions. The refund takes approximately 30 days to process.

## Please Note

When children not registered in a Community Education class accompany parents to class, the district's liability coverage is inappropriate because those children are not authorized to be in the facility at that point in time. We ask that you not bring your children to class with you unless they are a registered member of the class. Thank you for your cooperation in our continued effort to make these classes as productive, beneficial and fun as possible.

Enrollment is limited for most classes, so register early. You can register by mail, in person or online. We have tried to indicate those classes requiring an additional expenditure for supplies and materials.
