

POOL MODERNIZATION

AS PART OF THE LAKE STEVENS HIGH SCHOOL MODERNIZATION & EXPANSION PROJECT

This is an exciting time for our facility and our aquatics program! As part of the high school modernization and expansion project, our pool facility will undergo major renovations. This includes the following:

- Complete replacement of the pool systems/mechanical room
- Enhancements to the pool deck and seating/viewing areas
- New facility entrance adjacent to a new gym
- Expanded, easily accessible storage area
- Expanded reception area and managers' office
- New staff room for breaks, meals
- New locker rooms
- Adjacent team room for staff meetings, aquatics courses and party rentals
- Addition of a single-occupancy restroom with a shower and changing area

JUNE 16, 2018

Pool closed for the summer

**TENTATIVE
TIMELINE**

MID-AUGUST 2018

Fall sports begin; pool reopens for school and athletic use*

MID-FEBRUARY 2019

Winter sports end; pool completely closes for completion of renovation

AUGUST 2019

Pool reopens for school and athletic use*

LATE FALL 2019

Pool reopens for community use

This time of transition will bring challenges and obstacles, but in the end we are going to have the facility that our students, staff, families and community members deserve. Learn more at: www.lkstevens.wednet.edu/pool

* Swimming lessons, open swims, lap swims, aerobics, rentals and special events will not be offered during this time.
