## Dear Parents: Wow, what a year!

I would like to thank all of you for your incredible understanding and flexibility as we worked together to figure out this distance learning model. We will all have some stories to tell in future years!

It is hard to believe that we are down to one more week of school! But what a busy week it will be. **On Monday and Tuesday families can come by at scheduled times to pick up school supplies that were left at school as well as yearbooks and other items that are here.** How do you get the materials back to 610 students? With very careful planning! We have some specific details that must be followed in order for this to go smoothly for everyone. **Please read them carefully on the [next page](#).**

It has been waaaaay too long since we have seen our students **IN PERSON!** We cannot end the school year without a celebration and a chance to say goodbye for the summer. **On the last day of school, Friday, June 19th, we are hosting a Reverse Car Parade** so we can see one another and celebrate making it through this unique school year. In a reverse car parade we will space ourselves out along our two car loops and you can drive through so we can see each other! See the map for where we will be located. → Cars should approach from the south traveling towards Hwy 92.

It's important to know that due to a number of circumstances, some staff members may not be able to participate in the parade. We ask for your grace and understanding that everyone's situation is different during this time.

We also know that there are a number of circumstances for each family and that joining our parade may not be possible due to work schedules, transportation, or other factors.

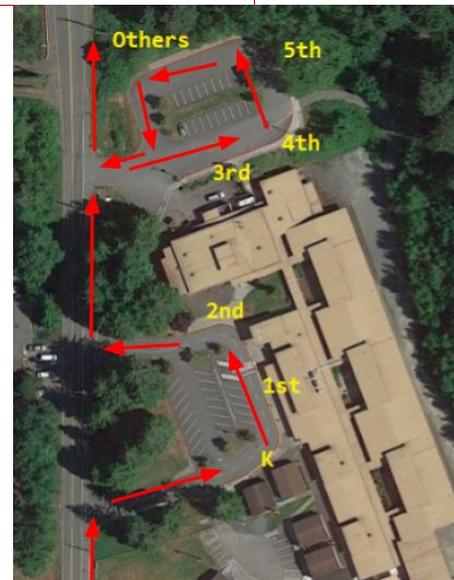

For those that can't make it we will be posting on our website a **short video of the parade** so you can still see our smiling faces. :) Watch for it by end of the day 6/22.

Let's make it fun! **Wear your Sunnycrest gear**, decorate the passenger side of your car, turn up the music, make a sign to shout out to special staff members, put your family/student's name on your car, bring your pets...be creative!

To keep everyone safe, staff will be socially distanced along the parade route. **This is a chance for a quick wave and goodbye. There can be no stopping and no passing of gifts.** We want to make sure we all keep a safe distance. A number of parents have emailed about wanting to give a gift. Please understand that your smiling face is gift enough but if you really have to you can deliver a gift during the student materials drop off on Monday and Tuesday. Just have it in a plastic bag and well labeled who it goes to and we will make sure it gets delivered.

To get all of our families through **we ask that you come at a scheduled time** by the first letter of your LAST name:

A-B 11:00—1:10	M-N 11:50—12:00
C-D 11:10—11:20	O-Q 12:00—12:10
E-G 11:20—11:30	R-S 12:10—12:20
H-J 11:30—11:40	T-Z 12:20—12:30
K-L 11:40—11:50	

# Pick Up Procedures

Thank you for your continued patience as we worked to create a plan for picking up students' items that were left at school, and for returning school items. We will have two days for our families to drive-thru to pick up and drop off items— Monday, June 15th and Tuesday, June 16th.

## What can be picked up?

- Student items left in classrooms
- Medications (please refer to the instructions at the end of this message)

## What can be dropped off?

- Library books
- Class books
- School equipment
- **Except Chromebooks.** Students can keep their Chromebooks over the summer to continue to engage in learning if they choose.

The attached [map](#) shows how to enter and exit our campus for this process. It is the same as our pick up process after school. This is a drive-thru pick up and drop off only. There will be a station set up for picking up, and for dropping off items, and an additional station for picking up medications that have been stored in our health room this school year.

Please have a piece of paper with your student(s) **LAST NAME then FIRST NAME written in BOLD on it.** Place it on the passenger side dashboard. This will make it easier to identify you quickly. When you pull up into the designated area staff will then go and retrieve your student(s) personal items and then place them into the trunk or back window area of your car.

**LAST name, FIRST names**  
Bold lettering

**For the safety of your family and our staff, you must remain in your vehicle.** It's going to be hard not to give hugs and high fives and stop to chat, but please remember that this is just a quick drive thru to drop off and pick up items!

There will not be an opportunity to connect with your child's teachers. We know how difficult it is to not have an in-person opportunity to say goodbye, but please know that our teachers are looking for a creative way to do this depending on what is allowed by the state and county during the last week.

## Pick-up and drop-off procedures:

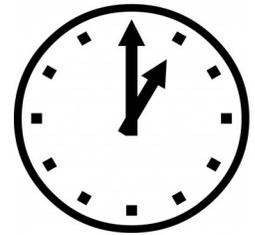

**If you have items to return to Sunnycrest please bag these and place them in your trunk or back window area prior to coming to school.** Please place library books in a separate bag from classroom books. If you have multiple items, please bag them into a single bag or as few bags as possible. Please remove other items from your trunk space before arriving so we don't get your groceries confused with a bag of library books!

**For pick-up of items,** please roll down your back window or pop your trunk, and our staff will drop the items into one of those locations. If you have drop-off of items, we will pick these up when we place your items in the trunk..

## Pick up times: Monday, June 15

Based on your child's last name\*:

- A-B: 9:00 to 10:00 a.m.
- C-D: 10:00 to 11:00 a.m.
- E-G: 1:00 to 2:00 p.m.
- H-J: 2:00 to 3:00 p.m.
- K-L: 3:00 to 4:00 p.m.

## Tuesday, June 16

Based on your child's last name\*:

- M-N: 9:00 to 10:00 a.m.
- O-Q: 10:00 to 11:00 a.m.
- R-S: 1:00 to 2:00 p.m.
- T-Z: 2:00 to 3:00 p.m.

*\*If you have children at our school who have different last names, you may pick up all items at the same time, on the same day. Please pick one of the alpha slots to attend.*

**These times will not work for my family. What are my options?**

You are welcome to have another family pick up your child's items. To set this up, please email our office professional, Sharon Chadwick, at [Sharon\\_Chadwick@lkstevens.wednet.edu](mailto:Sharon_Chadwick@lkstevens.wednet.edu). If you cannot come during the scheduled times, and it is not feasible to have another family pick up your child's items, please email [Sharon](mailto:Sharon) and we will work to connect with you. # Other Year End News

**Report Cards will be emailed home on the last day of school, Friday, June 19. You will also be able to see them on Family access on June 20.**

**Chromebooks** - At this time, we are asking that families please keep Chromebooks in their possession through the summer months. As we are able to firm up plans for the beginning of next school year, we will be able to share additional details about Chromebook collection and checkout processes. Additionally, there are many continuous learning opportunities that will be available for your student to engage in throughout the summer that the Chromebook could provide access to. More information regarding these opportunities will be available soon. If you have any questions or concerns please contact [techsupport@lkstevens.wednet.edu](mailto:techsupport@lkstevens.wednet.edu).

**If your child is leaving the district and will not be returning this fall, please also contact [techsupport@lkstevens.wednet.edu](mailto:techsupport@lkstevens.wednet.edu) to make arrangements to return your Chromebook.**

## Pick Up Procedures cont...

**What about yearbooks, 5th grade promotion certificates, and 5th grade T-shirts?**

If you have these items they will be placed in your students bag of materials by the PTA.

**What about Art to Remember items?**

Art to remember shut down all but some of their production until June 1st. If these items arrive by the pick up date they will be placed in your child's bag. If not, the PTA will be figuring out another way to distribute them depending on their arrival date.

**My child has medication in the Health Room that needs to be picked up. What do I do?**

If your child had medications or medical supplies stored in the health room this year, you will need to pick the items up under supervision of our school nurse, Jessica Dyer. This is state law.

All medication for your student that has been securely stored in our health rooms will need to be picked up by a parent/guardian. A parent/guardian may delegate that responsibility by emailing our nurse, Jessica Dyer at [Jessica.Dyer@lkstevens.wednet.edu](mailto:Jessica.Dyer@lkstevens.wednet.edu) informing her of the responsible person you've assigned. That delegation must be in writing (email).

If medication is not picked up by the end of these dates and times, then it will be destroyed per statutory requirements. For questions, concerns, or delegation instructions please contact our school nurse, [Jessica Dyer](mailto:Jessica.Dyer@lkstevens.wednet.edu) directly.

Refer to our [map](#) for the medication pick-up location. All safety protocols will be followed as if we were in the traditional school setting. The only difference is that the person picking up the medication will stay in their car, roll down their back window or open their trunk and the nurse will drop the medication into one of those locations. Identification may be requested at the time of pick up.

**We look forward to this opportunity to serve our families. Let us know if you have any questions.**

Thank you, Dave Bartlow

6/19 Last Day of School

Reverse Car Parade—11:00 am—12:30 pm

Report cards emailed home

## Potpourri

- **The last day of school is June 19th.** We will be holding a reverse car parade to wave to students. Details to come!
- **Report cards will be available on the 19th.** The distance learning model makes it extremely challenging to accurately assess student progress. Due to this and to follow state guidelines, students will not be graded in any academic areas. Instead on their report card it will reflect that they are not evaluated at this time. Teachers will however write comments about what they have observed prior to or during the distance learning model.
- **iReady Math and Reading will be available to students through July 31st.** There is no expectation to complete any lessons in iReady, but they are available for anyone seeking continued learning.
- **Students that borrowed Chromebooks from the district may keep them through the summer.** We will have a process for collecting them in August.
- **If we can help in any way please contact us:**
  - \* My email is [Dave.Bartlow@lkstevens.wednet.edu](mailto:Dave.Bartlow@lkstevens.wednet.edu)
  - \* My district cell phone number is 425-754-5394
  - \* Our counselor, Ginny Connell's email is [Ginny.Connell@lkstevens.wednet.edu](mailto:Ginny.Connell@lkstevens.wednet.edu)
- **If it is a student materials pick up schedule question:**
