Dear Parents:

Thank you for attending your Family Connection meeting. We were able to meet with 95% of our families on the first three days. We hope to connect with the rest this week. This was such a valuable time to meet our students, help our families with getting online and connected and find out how we can best support you.

We know that Distance Learning is not a perfect situation for anyone. We also know that the start of the new school year didn't start perfectly for everyone. But we are encouraging ourselves and you to look for **progress over perfection**. We will get better. It will get easier. There is just a lot for us all to learn. We appreciate the grace and patience that we have received from you and we want to extend the same courtesy to you.

We teach our students about Eagle POWER. The P in POWER stand for **Perseverance**. We want our students to learn not to give up. If we don't know how to do something it's only because we don't know how to do it **YET**. We will figure it out and we won't quit until we do.

We all need to work together and model perseverance for our kids. There could not be a better time during the challenges we are facing. Our challenges may be work, childcare, online issues, crazy schedules or keeping our families safe. Our children need to see our resolve and resilience as we face tough times. It is not easy, but we can do this. If I can help in anyway please give me a call. My email: Dave_Bartlow@lkstevens.wednet.edu. My office number is 425-335-1547. **We are in this together, and together we will be learn how successful we can be during the toughest times.**

Student Materials Pick Up

We have a number of school materials that we would like to send home because your child will need them in the upcoming weeks. These are essential materials for learning that the school will provide. These materials include math and reading workbooks, writing journal, whiteboard-marker-eraser, math manipulatives and much, much more.

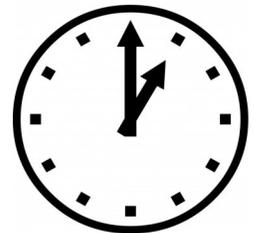

It is important that every family receives these materials because the teachers will be using them in their online and offline lessons.

On Wednesday, September 16th, we will be having a day when families can do curbside pick up to receive these materials. Here is the schedule:

Pick up times: Wednesday, September 16th

Based on your child's last name*:

- A-B: 9:45 to 10:15 a.m.
- C-D: 10:15 to 10:45 a.m.
- E-G: 10:45 to 11:15 a.m.
- H-J: 11:15 to 11:45 p.m.
- K-L: 12:15 to 12:45 p.m.
- M-N: 12:45 to 1:15 p.m.
- O-Q: 1:15 to 1:45 p.m.
- R-S: 1:45 to 2:15 p.m.
- T-Z: 2:15 to 2:45 p.m.

**If you have children at our school who have different last names, you may pick up all items at the same time. Please pick one of the alpha slots to attend.*

These times will not work for my family. What are my options?

You are welcome to have another family pick up your child's items. To set this up, please email our office professional, Sharon Chadwick, at Sharon_Chadwick@lkstevens.wednet.edu. If you cannot come during the scheduled times, and it is not feasible to have another family pick up your child's items, please email Sharon and we will work to connect with you.

The attached [map](#) shows how to enter and exit our campus for this process. It is the same as our pick up process we did last year. This is a drive-thru pick up and drop off only. In one stop you can pick up your materials and drop off any library books you may have. Please bag your library books and label the bag so we don't end up taking your groceries!

More on next page.

Pick Up Procedures cont...

Please have a piece of paper with your student(s) **LAST NAME** then **FIRST NAME** written in **BOLD** on it. Place it on the passenger side dashboard. This will make it easier to identify you quickly. When you pull up into the designated area staff will then go and retrieve your student(s) items and then place them into the trunk or back window area of your car.

LAST name, FIRST names

Bold lettering

For the safety of your family and our staff, you must remain in your vehicle. If you have library books to return to Sunnycrest please bag these and place them in your trunk or back window area prior to coming to school. Please remove other items from your trunk space before arriving so we don't get your groceries confused with a bag of library books!

Please roll down your back window or pop your trunk, and our staff will drop the items into one of those locations. If you have library books to drop off, we will pick these up when we place your items in the trunk.

We look forward to this opportunity to serve our families. Let us know if you have any questions.

Library Books!

Did someone say library books? In the coming weeks we would like to offer a curbside pickup for library books. BUT before we can start checking them out, we need to get them back! Please return your library books on Wednesday, September 16th when you come to pick up your student learning materials.

Just bag them up and we will grab them from your trunk. Once we get most of our library books back we will share our handy dandy check out service!
