Outcomes for Academic Resilience

Hello OAR Families,
Welcome back! I hope your summer has been healthy and happy!

As you have probably heard, we will be starting the school year on a remote platform. OAR staff has been working hard to develop plans for meaningful and engaged learning until we can safely come together face to face.

August 17th	HomeLink/OAR offices open
August 24th- September 1st	WSLP meetings with advisors
September 2nd	1st day of school
September 7th	Labor Day No classes

In order to start classes on September 2ND please make sure you have the following completed:

- The Written Student Learning Plan (WSLP) must be signed with an Advisor and all paperwork must be complete to start classes. If you are unsure all forms are complete, check with the office prior to September 2nd. ONE WEEK PRIOR TO CLASSES STARTING -

- All paperwork for new students (including immunizations and contact information) must be into the HomeLink/OAR office one week prior to classes starting. Students will be enrolled on a rolling basis after the start of school deadline.
- Returning students required ALE paperwork is available on the HomeLink website. You may print, complete, sign and return to the District office or scan completed forms to jen_mcphee@lkstevens.wednet.edu - If you are unable to print and need copies, there will be copies available at the District office.

Your advisor will be reaching out to students and families for required WSLP meetings and to finalize schedules and make transportation arrangements. Please check your email for messages from HomeLink staff. You must have a WSLP completed before September 2ND to start classes the first day of OAR.

It is with deep admiration and respect that I let you know that I will be leaving OAR and Lake Stevens School District. I have accepted a position in Mount Vernon Schools. I cannot begin to tell you how difficult it is for me to leave. Having started and grown the OAR program has been a huge point of pride for me and I am so impressed with the growth of our students and know that you will be in good hands. Keep learning and growing!
