HomeLink Parent Partnership

HomeLink Parent Partnership is a public school option for Kindergarten through 12th grade students. We serve families dedicated to taking an active role in the education of their children. Students may attend for as little as two courses per week, while others are enrolled as full-time public school students who invest 28-30 hours per week depending on grade level. Students in grades K-12 who wish to join HomeLink must have 90 days of documented, successful homeschooling in the last two years to be eligible to join the program. Students who do not meet that eligibility may enroll provisionally for 90 days (see the link regarding our Mentor Program).

- Classes meet once or twice per week, for approximately 1-2 hours per session
- Every class is taught by a certificated teacher
- Classes are multi-age. Students work at their ability level, not just their grade level (some limitations apply)
- We offer core classes in English, Math, Science, PE/Health and Social Studies, as well as elective classes like music, art, drama and Spanish. Our average class size is 10-15 students.
- We offer Explorers; an early learners class (grades K-1) that meets two morning each week, as well as other courses for younger learners
- HomeLink Community Activities (Talent Show, Night of the Notables, Science Fair Enrichment workshops, music and drama performances and more!)
- We offer State Testing for enrolled HomeLink students and homeschool students
- LSSD Diplomas are attainable through HomeLink (provided all graduation requirements are met) and presented at our own HomeLink graduation ceremony
- Running Start and Sno-Isle are accessible for established HomeLink students
- No registration fee! No monthly fee!

Families work with our advisors to create a Written Student Learning Plan (WSLP) to develop a guide to meet their educational goals.

Signing up for our classes is an excellent way to supplement what you are already teaching at home. If you are looking for a partner in your child’s education, call us!

Please contact the HomeLink office to schedule a visit, 425-335-1594
HomeLink is on the NorthLake Middle School campus at 2202 123rd Ave NE across from the Educational Service Center (main district office).
