December Greetings!

I can't believe that it is already December!

Even though we've already had snow and wind in November, we may still have more in the months to come. Please keep your Inclement Weather Alert handy. You may also want to sign up for Flash Alerts on the District webpage.

Your Parent Advisory Committee (PAC) is planning an event for December 20th. Please look for upcoming details in your family box in P1. PAC will be reviewing the proposed second semester schedule during our December meeting.

Family Center Drive- We are adopting two families. Please look for gift tags on the tree in P1 to provide a gift for a child in need. Please bring in your gift by December 15th (please attach the gift tag to the unwrapped gift).

2nd semester schedule: The new schedule will be out prior to Winter break. Some course times have changed to accommodate new and exciting offerings. Please check the schedule carefully. Add/drop forms can be turned into portable 1 beginning January 16. You need to review schedule changes with your advisor prior to turning in the Add/Drop form. Staff will be available January 30th and 31st if you need to make a conference appointment. Second semester starts February 1st. The deadline to add/drop courses is February 16th.

Winter Break is December 25th- January 5th. Knowing how quickly January will fly by, it's a good idea to make sure that all of your work is in to teachers.

Night at the Museum/Science Fair- For those who like to plan way in advance, our event will be May 10th. You can start experimenting now! More details to follow.

Reminders:

Supervision- Please continue your vigilant supervision of our students. It's a good idea to accompany your younger students to the restroom.

Everyone, parents, students and staff, should be signing in at P1 and wearing their HomeLink ID any time they are on campus. If you forget your badge, you should see Robin or Jen for a temporary one.

Important Upcoming Dates:

Winter Break 12/25/17-1/5/18
