Happy June!!!

This year has flown by! Thanks to all of our HomeLink families and our fantastic HomeLink staff who have demonstrated dedication to learning and amazing resilience this school year.

Please be sure the office knows of your plans for next school year and verify your student's primary contact information is correct in Skyward. If you have address, phone or email updates, please email Jen_McPhee as soon as possible. Returning student 20-21 enrollment information on our [website](#).

We are excited to be offering ONLINE REGISTRATION - Starting June 1st at 9:30am - June 5th 3pm. As you register for classes for the Fall, please keep the following in mind:

- Please consider your schedule carefully as you register in order to minimize dropping classes. Teacher schedules are developed upon pre-registration information.
- It's easier to add classes to a student's schedule, if space is available. No drops will be allowed after the first 10 days of each semester.

HomeLink greatly appreciates your dedication. We do ask that you consider taking an additional class, increasing our funding, which is directly linked to student enrollment hours. Lake Stevens School District continues to support our non-traditional learning programs and any increase is seen as a positive for HomeLink.

As we wrap up the 19-20 school year, please plan to return any HomeLink textbooks, library books, curriculum books and musical instruments. *Schedule for drive through drop off will be June 15th and 16th from 10am - 1pm*

Please consider writing a letter to the school board, local papers or our Superintendent, thanking them for their support of HomeLink. This can be a great time to brag about how supportive your student's teachers have been during the Covid closure.

Look for a Summer Mailing in August with updates and information. All **students** must meet with their advisor to complete their Written Student Learning Plan (ALE requirement) by September 2nd. Stay tuned for more information.

Reminders:
