

January 16, 2018

Happy New Year!!

Hope you had a restful break and are ready to finish first semester strong!

2nd semester schedule: The new schedule was published to the webpage on December 15th. Some course times have changed to accommodate new and exciting offerings. Please check the schedule carefully. Add/drop forms can be turned into portable 1 beginning January 16. You need to review schedule changes with your advisor prior to turning in the Add/Drop form and obtain a signature from the affected teachers.

Staff will be available January 30th and 31st if you need to make a conference appointment to discuss ongoing progress, answer questions and possibly receive some informal assessments in core areas. Second semester starts February 1st. The deadline to add/drop courses is February 15th.

Look for exciting information on the upcoming Spelling Bee and the HomeLink Showcase (formerly Night of the Notable and Science Fair). For parent volunteer opportunities, please ask in P1.

Reminders:

Supervision- Please continue your vigilant supervision of our students. It's a good idea to accompany your younger students to the restroom.

Everyone, parents, students and staff, should be wearing their HomeLink ID any time they are on campus. If you forget your picture ID, you should see Robin or Jen for a temporary badge. Any adult who may accompany your student on campus must have a current volunteer application on file. This can be completed online. Ask in P1 for more information.

Check your mailboxes regularly for important information.

Important Upcoming Dates:
