*A Washington State History class must be passed either in middle school or high school to meet graduation requirements; it is also embedded in US History in 11th grade.

**A math-based quantitative course must be taken in 12th grade if planning to attend a 4-year college.

*** Some colleges will require Chemistry or Physics
 ****P.P.R. is each student's Personalized Pathway Requirement for Graduation. A Personalized Pathway has related courses which correspond to the student's post high school plan based on the student's interest and a 13 year plan completed during their High School experience.

Students must also meet the following graduation requirements:

- Students must earn a total of 24 credits in grades 9-12 to graduate from Lake Stevens High School
- Each semester class completed with a passing grade equals a one-half (0.5) credit.
- Students must complete a High School 13th Year Plan.
- The link for the Washington State Board of Education has helpful information regarding the Class of 2021 Graduation Requirements:
