Learn how CTE prepares learners for their future.

What is Career and Technical Education?

- **Career Technical Education (CTE) provides students, Grades 7-12, with the academic and technical skills, knowledge and training necessary to succeed in future careers and to become lifelong learners**
- **CTE courses:**
 - **Align to high demand, high skill, and high wage occupations**
 - **Provide academic rigor for all student ability levels**
 - **Allow students to earn or lead to Industry Recognized Credentials**
 - **Can provide college credit at a reduced cost (\$50)**
 - **Provide academic choice for students (Academic Equivalencies)**
