This booklet contains information you need about benefits, monthly premiums, and the plans available to you.

Important requirements to remember:

- **You have 60 days after the date your employer or continuous COBRA coverage ends to enroll in or defer (postpone) PEBB retiree coverage.** If you don’t complete and submit the Retiree Coverage Election Form within the required timeframe, you could lose your right to enroll.

- **If entitled, you and/or your dependent(s) must enroll and maintain enrollment in both Medicare Part A and Part B to qualify for PEBB retiree coverage.** If you don’t, you and/or your dependent(s) will no longer be eligible for enrollment in PEBB retiree coverage.

- **We will not enroll you until we receive your first month’s premium payment unless you choose to have your premiums deducted from your monthly pension check.**

- **If you are a retiree and not entitled to Medicare, you must provide documents that verify your dependent’s eligibility for PEBB retiree coverage or the dependent will not be enrolled.**

Welcome to Retirement!

The Public Employees Benefits Board (PEBB) Program, administered by the Health Care Authority, is pleased to be able to offer its members choice, access, value, and stability. PEBB purchases and coordinates health insurance benefits for eligible public employees and retirees, but we each have a part to play in making choices that can lead to quality health care.

Look inside to find...

• Basic information about your medical and dental coverage, life, long-term care, and auto and home insurance options to help you make decisions.
• Information on who can enroll.
• Enrollment requirements.
• Plans available in your county.
• Monthly premiums.

The benefit comparisons in this guide are brief summaries. For more details about a plan's benefits, refer to the plan's certificate of coverage. You may request a copy of the certificate of coverage after you enroll, or you can find it on the plan's website. Some information described in this guide is based on federal or state laws. We have attempted to describe them accurately, but if there are differences, the laws will govern.

The contents of this document are accurate at the time of printing. Please call the PEBB Program at 1-800-200-1004 or visit www.pebb.hca.wa.gov for updates to laws or rules or to find more information. If you have questions not answered in this booklet, please contact one of our benefits representatives Monday through Friday between 8 a.m. and 5 p.m.

Where to find laws and rules

You can find the Public Employees Benefits Board's existing laws in chapter 41.05 of the Revised Code of Washington, and rules in chapters 182-04, 182-08, 182-12, 182-13, and 182-16 of the Washington Administrative Code (WAC). A link to WAC is available on the PEBB Rules and Policies page of the PEBB website.

Glossary of Health Coverage and Medical Terms

- This glossary has many commonly used terms, but isn’t a full list. These glossary terms and definitions are intended to be educational and may be different from the terms and definitions in your plan. Some of these terms also might not have exactly the same meaning when used in your policy or plan, and in any such case, the policy or plan governs. (See your Summary of Benefits and Coverage for information on how to get a copy of your policy or plan document.)

- See page 10 for an example showing how deductibles, co-insurance and out-of-pocket limits work together in a real life situation.

**Allowed Amount**

Maximum amount on which payment is based for covered health care services. This may be called “eligible expense,” “payment allowance” or “negotiated rate.” If your provider charges more than the allowed amount, you may have to pay the difference. (See Balance Billing.)

**Appeal**

A request for your health insurer or plan to review a decision or a grievance again.

**Balance Billing**

When a provider bills you for the difference between the provider’s charge and the allowed amount. For example, if the provider’s charge is $100 and the allowed amount is $70, the provider may bill you for the remaining $30. A preferred provider may not balance bill you for covered services.

**Co-payment**

A fixed amount (for example, $15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

**Deductible**

The amount you owe for health care services your health insurance or plan covers before your health insurance or plan begins to pay. For example, if your deductible is $1000, your plan won’t pay anything until you’ve met your $1000 deductible for covered health care services subject to the deductible. The deductible may not apply to all services.

**Co-insurance**

Your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance plus any deductibles you owe. For example, if the health insurance or plan’s allowed amount for an office visit is $100 and you’ve met your deductible, your co-insurance payment of 20% would be $20. The health insurance or plan pays the rest of the allowed amount.

**Complications of Pregnancy**

Conditions due to pregnancy, labor and delivery that require medical care to prevent serious harm to the health of the mother or the fetus. Morning sickness and a non-emergency caesarean section aren’t complications of pregnancy.

**Durable Medical Equipment (DME)**

Equipment and supplies ordered by a health care provider for everyday or extended use. Coverage for DME may include: oxygen equipment, wheelchairs, crutches or blood testing strips for diabetics.

**Emergency Medical Condition**

An illness, injury, symptom or condition so serious that a reasonable person would seek care right away to avoid severe harm.

**Emergency Medical Transportation**

Ambulance services for an emergency medical condition.

**Emergency Room Care**

Emergency services you get in an emergency room.

**Emergency Services**

Evaluation of an emergency medical condition and treatment to keep the condition from getting worse.
Excluded Services
Health care services that your health insurance or plan doesn’t pay for or cover.

Grievance
A complaint that you communicate to your health insurer or plan.

Habilitation Services
Health care services that help a person keep, learn or improve skills and functioning for daily living. Examples include therapy for a child who isn’t walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology and other services for people with disabilities in a variety of inpatient and/or outpatient settings.

Health Insurance
A contract that requires your health insurer to pay some or all of your health care costs in exchange for a premium.

Home Health Care
Health care services a person receives at home.

Hospice Services
Services to provide comfort and support for persons in the last stages of a terminal illness and their families.

Hospitalization
Care in a hospital that requires admission as an inpatient and usually requires an overnight stay. An overnight stay for observation could be outpatient care.

Hospital Outpatient Care
Care in a hospital that usually doesn’t require an overnight stay.

In-network Co-insurance
The percent (for example, 20%) you pay of the allowed amount for covered health care services to providers who contract with your health insurance or plan. In-network co-insurance usually costs you less than out-of-network co-insurance.

In-network Co-payment
A fixed amount (for example, $15) you pay for covered health care services to providers who contract with your health insurance or plan. In-network co-payments usually are less than out-of-network co-payments.

Medically Necessary
Health care services or supplies needed to prevent, diagnose or treat an illness, injury, condition, disease or its symptoms and that meet accepted standards of medicine.

Network
The facilities, providers and suppliers your health insurer or plan has contracted with to provide health care services.

Non-Preferred Provider
A provider who doesn’t have a contract with your health insurer or plan to provide services to you. You’ll pay more to see a non-preferred provider. Check your policy to see if you can go to all providers who have contracted with your health insurance or plan, or if your health insurance or plan has a “tiered” network and you must pay extra to see some providers.

Out-of-network Co-insurance
The percent (for example, 40%) you pay of the allowed amount for covered health care services to providers who do not contract with your health insurance or plan. Out-of-network co-insurance usually costs you more than in-network co-insurance.

Out-of-network Co-payment
A fixed amount (for example, $30) you pay for covered health care services from providers who do not contract with your health insurance or plan. Out-of-network co-payments usually are more than in-network co-payments.

Out-of-Pocket Limit
The most you pay during a policy period (usually a year) before your health insurance or plan begins to pay 100% of the allowed amount. This limit never includes your premium, balance-billed charges or health care your health insurance or plan doesn’t cover. Some health insurance or plans don’t count all of your co-payments, deductibles, co-insurance payments, out-of-network payments or other expenses toward this limit.

Physician Services
Health care services a licensed medical physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine) provides or coordinates.
Plan
A benefit your employer, union or other group sponsor provides to you to pay for your health care services.

Preauthorization
A decision by your health insurer or plan that a health care service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification. Your health insurance or plan may require preauthorization for certain services before you receive them, except in an emergency. Preauthorization isn’t a promise your health insurance or plan will cover the cost.

Preferred Provider
A provider who has a contract with your health insurer or plan to provide services to you at a discount. Check your policy to see if you can see all preferred providers or if your health insurance or plan has a “tiered” network and you must pay extra to see some providers. Your health insurance or plan may have preferred providers who are also “participating” providers. Participating providers also contract with your health insurer or plan, but the discount may not be as great, and you may have to pay more.

Premium
The amount that must be paid for your health insurance or plan. You and/or your employer usually pay it monthly, quarterly or yearly.

Prescription Drug Coverage
Health insurance or plan that helps pay for prescription drugs and medications.

Prescription Drugs
Drugs and medications that by law require a prescription.

Primary Care Physician
A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine) who directly provides or coordinates a range of health care services for a patient.

Primary Care Provider
A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine), nurse practitioner, clinical nurse specialist or physician assistant, as allowed under state law, who provides, coordinates or helps a patient access a range of health care services.

Provider
A physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine), health care professional or health care facility licensed, certified or accredited as required by state law.

Reconstructive Surgery
Surgery and follow-up treatment needed to correct or improve a part of the body because of birth defects, accidents, injuries or medical conditions.

Rehabilitation Services
Health care services that help a person keep, get back or improve skills and functioning for daily living that have been lost or impaired because a person was sick, hurt or disabled. These services may include physical and occupational therapy, speech-language pathology and psychiatric rehabilitation services in a variety of inpatient and/or outpatient settings.

Skilled Nursing Care
Services from licensed nurses in your own home or in a nursing home. Skilled care services are from technicians and therapists in your own home or in a nursing home.

Specialist
A physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions. A non-physician specialist is a provider who has more training in a specific area of health care.

UCR (Usual, Customary and Reasonable)
The amount paid for a medical service in a geographic area based on what providers in the area usually charge for the same or similar medical service. The UCR amount sometimes is used to determine the allowed amount.

Urgent Care
Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.

Eligibility Summary

Who's eligible for PEBB coverage?
The information provided in this guide is a general summary of PEBB retiree eligibility. The PEBB Program will determine your eligibility at the time of your application based on eligibility in PEBB rules. You can find the PEBB retiree eligibility in WAC 182-12-171. A link is available in the PEBB Rules and Policies page of the PEBB website.

You may be eligible to enroll in PEBB plans if you are a retiring employee of a:

- State agency
- State higher-education institution
- K-12 school district or educational service district
- PEBB-participating employer group

You may be eligible to enroll in PEBB retiree insurance if you are an elected or full-time appointed state official (as defined under WAC 182-12-114(4)) who voluntarily or involuntarily leaves public office.

To be eligible to enroll in PEBB retiree insurance, you must meet both the procedural requirements and the eligibility requirements of WAC 182-12-171.

The procedural requirements include:

- You must submit a Retiree Coverage Election Form (form A) to enroll or defer enrollment in retiree insurance coverage no later than 60 days after your employer-paid or COBRA coverage ends.
- If you or a dependent you wish to enroll is entitled to Medicare and your retirement date is after July 1, 1991, enrolling in and maintaining enrollment in Medicare Part A and Part B is required.

The eligibility requirements, in general, are:

- You must be a vested member and meet the eligibility criteria to retire from a Washington State-sponsored retirement plan when your employer-paid or COBRA coverage ends (unless you are an elected or appointed state official as defined under WAC 182-12-114(4)). The following are Washington State-sponsored retirement plans:
  - Public Employees Retirement System (PERS) 1, 2, or 3
  - Public Safety Employees Retirement System (PSERS)
  - Teachers Retirement System (TRS) 1, 2, or 3
  - Washington Higher Education Retirement Plan (for example, TIAA-CREF)
  - School Employees Retirement System (SERS) 2
  - Law Enforcement Officers’ and Fire Fighters’ Retirement System (LEOFF) 1 or 2
  - Washington State Patrol Retirement System (WSPRS) 1 or 2
  - State Judges/Judicial Retirement System
  - Civil Service Retirement System and Federal Employees’ Retirement System are considered a Washington State-sponsored retirement system for Washington State University Extension employees covered under PEBB insurance at the time of retirement or disability.
- You must immediately begin to receive a monthly retirement plan payment, with the following exceptions:
  - If you receive a lump sum payment instead of a monthly retirement plan payment, you are only eligible if the Department of Retirement Systems offered you the choice between a lump sum equivalent payment and an ongoing monthly payment.
  - If you are an employee retiring or separating under PERS Plan 3, TRS Plan 3, or SERS Plan 3 and you meet the retirement plan's eligibility criteria when your employer-paid or COBRA coverage ends, you do not have to receive a monthly retirement plan payment.
  - If you are an employee retiring under a Washington higher-education retirement plan (such as TIAA-CREF) and you meet your retirement plan's eligibility criteria or you are at least age 55 with 10 years of state service, you do not have to receive a monthly retirement plan payment.
If you are an employee retiring from a PEBB-participating employer group and your employer does not participate in a Washington State-sponsored retirement system, you do not have to receive a monthly retirement plan payment. However, you do have to meet the same age and years of service as if you had been employed as a member of either PERS Plan 1 or PERS Plan 2 for the same period of employment.

If you are an elected or full-time appointed official of the legislative or executive branches of state government (as defined under WAC 182-12-114(4)), you do not have to meet the age and years of service requirement or receive a monthly retirement plan payment from a state-sponsored retirement system.

**Can I cover my family members?**

You may enroll the following family members (as described in WAC 182-12-260):

- Your lawful spouse.
- Your state-registered domestic partner.
- Your children, defined as your biological children, stepchildren, legally adopted children, children for whom you have assumed a legal obligation for total or partial support in anticipation of adoption, children of your state-registered domestic partner, or children specified in a court order or divorce decree.

In addition, children include extended dependents in your spouse's, or your state-registered domestic partner's legal custody or legal guardianship. Legal responsibility is shown by a valid court order and the child's official residence with the custodian or guardian. This does not include foster children for whom support payments are made to you through the state Department of Social and Health Services (DSHS) foster care program.

**Eligible children include:**

- Children up to age 26.
- Children of any age with a disability who are incapable of self-support, provided the disability, mental illness, intellectual or other developmental disability occurred before age 26. You must provide evidence of the disability and evidence the condition occurred before age 26. The PEBB Program will verify the disability and dependency of a dependent with a disability periodically beginning at age 26.

The PEBB Program verifies the eligibility of all dependents and reserves the right to request proof of a dependent's eligibility. You must notify the PEBB Program in writing **no later than 60 days** after your dependent is no longer eligible.

The PEBB Program will not enroll or reenroll a dependent if the PEBB Program cannot verify the dependent's eligibility. You can find a list of documents you must provide to verify your dependent's eligibility on page 48.

**What happens if I die—are surviving dependents eligible?**

The surviving dependents of an eligible employee or an eligible retiree may be eligible to enroll in PEBB retiree insurance if they meet both the procedural requirements and the eligibility requirements outlined in WAC 182-12-265.

**Eligibility for dependents of emergency service employees**

If you are a surviving dependent of an emergency service employee who was killed in the line of duty, you may be eligible to enroll in PEBB retiree insurance if you meet both the procedural and eligibility requirements outlined in WAC 182-12-250.
How can I appeal a decision?

If you or your dependent disagrees with a specific decision or denial, you or your dependent may file an appeal. You will find guidance on filing an appeal in chapter 182-16 WAC and at www.pebb.hca.wa.gov under How Do I File an Appeal, or call the PEBB Appeals Manager at 1-800-351-6827.

How can I make sure my personal representative has access to my health information?

You must provide us with a copy of a valid power of attorney or a completed Authorization for Release of Information form naming your representative and authorizing him or her to access your medical records and exercise your rights under the federal HIPAA privacy rule. HIPAA stands for the Health Insurance Portability and Accountability Act of 1996. The form is available at www.pebb.hca.wa.gov or by calling the PEBB Program at 1-800-200-1004.
Enrollment

How do I enroll?

To enroll in PEBB retiree coverage, you have 60 days after your employer-paid or COBRA coverage ends to:

- Submit your completed Retiree Coverage Election Form (form A) and any other required enrollment form (form B or C) found in the back of this guide to the PEBB Program. Be sure to include the certification forms required to enroll an extended dependent or a dependent with a disability if this applies to you. The forms can be found at www.pebb.hca.wa.gov.

- Submit the forms(s) by fax, mail, or hand deliver to PEBB.

- Submit form A even if you decide to defer your enrollment. See “Deferring Your Coverage” on page 24 for more information.

You may also enroll your eligible dependents. If you are not on Medicare and want to enroll your dependent(s), you must provide proof of eligibility with your Retiree Coverage Election Form. See page 48 for a list of documents the PEBB Program will accept as proof.

You must send your first payment when you enroll, unless you choose to have your premiums deducted from your monthly pension check. Make your check for the first month’s premium payable to the Washington State Treasurer.

If you don't send us your completed form(s) and full premium payment (unless enrolled in pension deduction) or your request to defer coverage within 60 days after your employer-paid or COBRA coverage ends, you will lose your future right to enroll in PEBB coverage unless you regain eligibility.

You must pay premiums back to the date when your other coverage ended. For example, if your other coverage ends in December, but you don't submit your enrollment form until February, you must pay January and February premiums to enroll in PEBB coverage.

Can I enroll on two PEBB accounts?

You can only enroll in a single PEBB account. If you and your spouse or state-registered domestic partner are both eligible for PEBB coverage, you need to decide which of you will cover yourselves and any eligible children on your medical or dental plans. An enrolled family member may be enrolled in only one medical or dental plan. You could defer the medical coverage for yourself (see “Deferring Your Coverage” on page 24) and enroll as a dependent on your spouse's or domestic partner's medical coverage.

How long does the enrollment process take?

If you are retiring as a state employee or a higher-education institution employee, here's what you can expect after you send your form(s) to us:

1. In most cases, your employer’s payroll office will cancel your employee coverage when they process your final paycheck. We cannot enroll you in retiree coverage until this occurs.

2. The health plan(s) that covered you as an employee will send a cancellation letter after your payroll office cancels your employee coverage. Federal rules require us to send you a Continuation of Coverage Election Notice booklet; keep it for future reference.

3. If your application is incomplete we will send a letter requesting more information. In most cases, your retiree coverage begins immediately after your current coverage ends.

4. Once your payroll office cancels your employee coverage and we receive any requested additional information, we will enroll you in PEBB retiree health coverage.

5. After we enroll you, your health plan(s) will send you a welcome packet.

If you are a K-12 retiree and meet PEBB eligibility and enrollment requirements, your coverage begins the first of the month after your school district or COBRA coverage ends.

continued
**When does coverage begin?**

When newly eligible—Medical, dental, and term life insurance coverage will begin on the first day of the month after employer-paid or COBRA coverage ends, as long as the appropriate forms are returned no later than 60 days after this coverage ends.

When making a change during annual open enrollment or when a special open enrollment event occurs—Coverage will begin as noted in the table below. You must submit the appropriate form(s) either during the annual open enrollment or no later than 60 days after the special open enrollment event. In some instances, the date you turn in your form will affect the date coverage begins. You may want to turn in your form sooner. See “What is a special open enrollment?” on page 21 for more information.

What if I’m entitled to Medicare?
When you or your covered dependents become entitled to Medicare, the person entitled to Medicare must enroll and maintain enrollment in Medicare Part A and Part B to remain eligible for PEBB retiree coverage. The entitlement to Medicare qualifies as a special open enrollment event, allowing you to change your health plans. Once you or your covered dependent(s) enrolls in Medicare Part A and Part B, you must send us a copy of either the Medicare card(s) or a letter from the Social Security Administration that shows the effective date of Medicare Part A and Part B coverage. Mail a copy of the Medicare card or letter to:

Health Care Authority
PEBB Program
P.O. Box 42684
Olympia, WA 98504-2684

We will update your account to reduce your premium to the lower Medicare rate, if applicable, and notify your health plan of your Medicare enrollment.

CDHPs and Medicare don’t mix
If you are enrolled in a consumer-directed health plan with a health savings account (HSA) when you or your covered dependent(s) become entitled to receive Medicare, you must take action no later than 60 days after enrolling in Medicare Part A and Part B.

If a covered family member becomes entitled to Medicare Part A or Part B, the subscriber must either:

- Remove the family member from PEBB coverage no later than 60 days after enrolling in Medicare Part A and Part B.

  or

- Choose a new health plan. Your annual deductible and annual out-of-pocket maximum will restart with your new plan. The subscriber can keep the HSA, but no longer contribute to it.

How much do the plans cost?
Please see the retiree rates (premiums) on pages 12-13. In addition to your monthly premium, you must pay for any deductibles, coinsurance, or copayments under the plan you choose. See the certificate of coverage available from each plan for details.

The HCA charges and collects premiums for the full month, and will not prorate them for any reason, including when a member dies before the end of the month.

How do I pay for coverage?
You can help ensure that your premium payments are made on time and avoid disruptions in your coverage by using pension deduction or automatic bank account withdrawals. Here are your payment options:

- **Pension deduction** – Your premium is taken from your end-of-the-month pension check. For example, if your coverage takes effect January 1, your January 31 check will show your premium deduction for January.

- **Automatic bank account withdrawals** – You must complete and return an *Electronic Debit Service Agreement* form to the HCA. You can find the form in the back of this booklet. You must continue to pay your premium invoices until you receive a letter from the HCA with your electronic debit start date. Approval takes six to eight weeks.

- **A personal check or money order** – Please send your payment with your election form to:

  Health Care Authority
  P.O. Box 42695
  Olympia, WA 98504-2695

  Make your check payable to Washington State Treasurer.

- **Voluntary Employees’ Beneficiary Association (VEBA) Trust account** – You must contact VEBA to request reimbursement for your premiums. VEBA cannot pay your monthly premiums directly to the PEBB Program. You must also notify VEBA when your premiums change. VEBA will not reimburse you for retiree term life insurance. The administrator for VEBA is Meritain Health. Please call VEBA toll-free at 1-888-828-4953 for information, or visit [www.veba.org](http://www.veba.org).
Note: If you enroll in a consumer-directed health plan, you must elect limited VEBA plan coverage; call VEBA for details on how to do this.

What happens if I miss a premium payment?
You must pay the premiums for your PEBB coverage when due. If you pay late or do not pay in full, we will cancel your coverage at the end of the month in which we received the last full premium payment. If your insurance coverage is cancelled, coverage for your covered dependents also will be cancelled. You cannot enroll again in PEBB coverage unless you regain eligibility.

How do I choose a medical or dental plan?
Follow these steps:
1. Check “2013 Medical Plans Available by County” on pages 32-33 to see which plans are in your county of residence.
2. Read about the different types of medical and dental plans PEBB offers. Highlights of the medical plans begin on page 34. You can find other details to consider when choosing a medical plan under “How can I compare the plans?” on page 29. The dental plan descriptions are on pages 42-43.
3. Call the plans directly with any questions about specific benefits, what prescription drugs they cover, or about specific health care providers. The plan phone numbers and websites are listed on page 3 of this guide.
5. Check the provider directory on your medical or dental plan’s website to find out if your provider participates with the plan you choose. Then call your provider to confirm his or her participation. If you are choosing a new provider, make sure he or she is accepting new patients.
6. Choose your plan. You may enroll in dental coverage as long as you also enroll in medical coverage. When you enroll in dental coverage, your dependents also must enroll in dental. You and your enrolled dependents must maintain retiree dental coverage for at least two years. However, you do not have to stay enrolled in the same dental plan every year.

If you cancel or defer enrollment in medical coverage, you also must cancel/defer dental coverage.

PEBB prescription-drug coverage is creditable
All PEBB medical plans, except Premera Blue Cross Medicare Supplement Plan F, have prescription-drug coverage that is “creditable coverage.” That means it is as good or better than the standard Medicare prescription-drug coverage (Medicare Part D). So:
• Your plan, on average for all plan members, meets at least what the standard Medicare prescription-drug coverage will pay.
• You can keep your PEBB coverage and not pay a late enrollment penalty if you decide to enroll in Medicare prescription-drug coverage later.
• You can enroll in a Medicare Part D plan when you first become entitled to Medicare, during the Medicare Part D open enrollment, and after you lose creditable prescription-drug coverage through your current plan. Open enrollment for Medicare Part D occurs toward the end of the year. However, joining Medicare Part D may affect your enrollment in the PEBB Program. The PEBB Program does not offer Medicare Part D. Remember, you do not have to enroll in Medicare Part D.

If you do enroll in Medicare Part D, the only PEBB medical plan that coordinates benefits with Medicare Part D is Premera Blue Cross Medicare Supplement Plan F.

If you are enrolled in any other PEBB medical plan, you cannot enroll in Medicare Part D and keep your PEBB coverage.
Making Changes in Coverage

How do I add or remove dependents?
To add a dependent you must submit a Retiree Coverage Election Form indicating the dependent’s enrollment to the PEBB Program within the required time limits. If adding a dependent with a disability or an extended dependent, you must also submit a dependent certification form.

If you are a retiree not on Medicare and want to add a newly eligible dependent to your coverage, you must provide a copy of the required documents as evidence of the dependent’s eligibility within PEBB’s enrollment time limits or the dependent will not be enrolled. See page 48 for a list of documents the PEBB Program will accept as proof.

Subscribers may add or remove eligible dependents during the PEBB annual open enrollment or, in some circumstances, a special open enrollment event. See “What is a special open enrollment?” for details. To make a change, you must submit the appropriate form(s) before the end of the annual open enrollment or no later than 60 days after the special open enrollment event.

Exception: If you want to enroll a newborn or child whom you have adopted (or assumed a legal obligation for total or partial support in anticipation of adoption), you should notify the PEBB Program by submitting a Retiree Coverage Election Form as soon as possible to ensure timely payment of claims. If adding the child increases your premium, you must submit the Retiree Coverage Election Form no later than 12 months after the date of birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption.

Subscribers are required to notify the PEBB Program to remove dependents no later than 60 days from the date the dependent no longer meets the eligibility criteria described under WAC 182-12-260. Consequences for not submitting notice within 60 days may include, but are not limited to:

- The dependent may lose eligibility to continue health plan coverage under one of the continuation coverage options described in WAC 182-12-170;
- The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility; and
- The subscriber may not be able to recover subscriber-paid insurance premiums for dependents who lost their eligibility;

Although subscribers are required to remove dependents when they are no longer eligible, retiree subscribers may remove an eligible dependent from coverage any time during the year. Unless otherwise approved by the PEBB Program, the dependent will be removed from coverage prospectively.

What changes can I make during the annual open enrollment?
During the PEBB annual open enrollment you can:

- Change medical or dental plans.
- Enroll or remove eligible dependents from your coverage.
- Enroll in a health plan if you previously deferred PEBB retiree coverage for other coverage (see “Deferring Your Coverage” on page 24).
- Defer enrollment in PEBB retiree health coverage as long as you have or are enrolling in other coverage effective no later than January 1 of the following year. (See “Deferring Your Coverage” on page 24 for specific health coverage you can defer PEBB retiree coverage for.)

You must submit the appropriate forms before the end of the annual open enrollment (usually November 30). The enrollment change will become effective January 1 of the following year.

What is a special open enrollment?
A retiree subscriber may change his or her enrollment outside of the annual open enrollment when an event creates a special open enrollment. However, the change in enrollment must correspond to the event that creates the special open enrollment for either the subscriber or the subscriber’s dependent (or both).

continued
To make an enrollment change, the subscriber must submit the appropriate form(s) to the PEBB Program **no later than 60 days** after the event that created the special open enrollment. In addition to the appropriate forms, the PEBB Program may require the subscriber to provide evidence of eligibility or evidence of the event that created the special open enrollment. In most cases, enrollment will start the first day of the month after we receive the enrollment form.

**What events allow me to add dependents?**

Any one of the following events may create a special open enrollment to enroll a dependent:

1. Subscriber acquires a new dependent due to:
   - a. Marriage or registering a domestic partnership.
   - b. Birth, adoption, or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption.
   - c. A child becoming eligible as an extended dependent through legal custody or legal guardianship.
   - d. A child becoming eligible as a dependent with a disability.

2. Subscriber or a subscriber’s dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA).

3. Subscriber or a subscriber’s dependent has a change in employment status that affects the subscriber’s or the subscriber’s dependent’s eligibility for the employer contribution toward group health coverage.

4. Subscriber or subscriber’s dependent has a change in enrollment under another employer plan during its annual open enrollment that does not align with the PEBB Program’s annual open enrollment.

5. Subscriber’s dependent has a change in residence from outside in the United States to within the United States.

6. Subscriber receives a court order or medical support order requiring the subscriber, the subscriber’s spouse, or the subscriber’s state-registered domestic partner to provide insurance coverage for an eligible dependent. (A former spouse or former registered domestic partner is not an eligible dependent.)

7. Subscriber or a subscriber’s dependent becomes eligible for state premium assistance through Medicaid or a state Children’s Health Insurance Program (CHIP), or the subscriber or dependent loses eligibility for coverage under Medicaid or CHIP.

**What events allow me to change health plans?**

Any one of the following events may create a special open enrollment for a subscriber to change his or her health plan:

1. Subscriber acquires a new dependent due to:
   - a. Marriage or registering a domestic partnership;
   - b. Birth, adoption, or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption;
   - c. A child becoming eligible as an extended dependent through legal custody or legal guardianship; or
   - d. A child becoming eligible as a dependent with a disability.

2. Subscriber or a subscriber’s dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA).

3. Subscriber or a subscriber’s dependent has a change in employment status that affects the subscriber’s or the subscriber’s dependent’s eligibility for the employer contribution toward group health coverage.

4. Subscriber or subscriber’s dependent has a change in enrollment under another employer plan during its annual open enrollment that does not align with the PEBB Program’s annual open enrollment.

5. Subscriber’s dependent has a change in residence from outside in the United States to within the United States.
4. Subscriber or a subscriber's dependent has a change in residence that affects health plan availability. If the subscriber moves and the subscriber's current health plan is not available in the new location, the subscriber must select a new health plan. If the subscriber does not select a new health plan, the PEBB Program may change the subscriber's health plan as described in WAC 182-08-196.

5. A court order or National Medical Support Notice requires the subscriber, or any other person to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former registered domestic partner is not an eligible dependent).

6. Subscriber or a subscriber's dependent becomes eligible for state premium assistance through Medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under Medicaid or CHIP.

7. Subscriber or subscriber's dependent becomes entitled to Medicare or enrolls in or cancels a Medicare Part D plan. If the subscriber's current health plan becomes unavailable due to the subscriber's or a subscriber's dependent's entitlement to Medicare, the subscriber must select a new health plan as described in WAC 182-08-196.

8. Subscriber's or a subscriber's dependent's current health plan becomes unavailable because the subscriber or enrolled dependent is no longer eligible for a health savings account (HSA). The PEBB Program may require evidence that the subscriber or subscriber's dependent is no longer eligible for an HSA.

9. Subscriber or subscriber's dependent experiences a disruption of care that could function as a reduction in benefits for the subscriber or the subscriber's dependent for a specific condition or ongoing course of treatment if approved by the PEBB Program. The subscriber may not change his or her health plan election if the subscriber's or an enrolled dependent’s physician stops participation with the subscriber's health plan unless the PEBB Program determines that a continuity of care issue exists. The PEBB Program will consider but not limit its consideration to the following:

   a. Active cancer treatment, such as chemotherapy or radiation therapy for up to 90 days or until medically stable.

   b. Transplant (within the last 12 months). (elective procedures within the next 60 days do not qualify for continuity of care).

   c. Scheduled surgery within the next 60 days.

   d. Recent major surgery still within the post operative period of up to eight weeks or third trimester of pregnancy.

Note: If an enrollee’s provider or health care facility discontinues participation with your health plan, you may not change medical plans until the next open enrollment period, unless the PEBB Program determines that a continuity of care issue exists (for additional detail see WAC 182-08-198). Your health plan cannot guarantee that any one physician, hospital, or other provider will be available or remain under contract with us.
Deferring Your Coverage

Deferral rights for retirees
You may defer (postpone) your enrollment in PEBB retiree medical and dental coverage under the circumstances listed below. If you defer enrollment in a PEBB retiree medical plan, you may not enroll in a PEBB dental plan. Except as stated below, if you defer enrollment in a PEBB health plan, you also defer enrollment for your dependents.

• If you are continuously enrolled in a PEBB or Washington State K-12 school district sponsored medical plan as a dependent.

• Beginning January 1, 2001, if you are continuously covered under another comprehensive, employer-sponsored medical plan as an employee or the dependent of an employee, including COBRA.

• Beginning January 1, 2001, if you are continuously enrolled in medical coverage as a retiree or the dependent in a federal retirement plan, such as TRICARE.

• Beginning January 1, 2006, if you are continuously enrolled in Medicare Part A and Part B and a Medicaid program that provides creditable coverage. To be considered creditable coverage, your Medicaid coverage must include coverage for medical and hospital benefits. Your eligible dependents who are not eligible for creditable coverage under Medicaid may continue PEBB coverage.

To defer medical (or medical and dental) coverage, you must submit a Retiree Coverage Election Form to the PEBB Program:

• If you are an employee who is retiring, you must submit the form no later than 60 days after your employer-paid or COBRA coverage ends.

• If you are enrolled as a retiree, you must submit the form before you defer coverage.

If you have deferred your PEBB retiree health coverage and become eligible for the employer contribution toward PEBB life insurance (for example, by returning to state service), you may choose to either keep or cancel your retiree term life insurance.

To do either, complete the Life and AD&D Insurance Enrollment/Change Form and submit it to your employer’s personnel, payroll, or benefits office. If you cancel your retiree term life insurance, you must complete the Retiree Coverage Election Form to reenroll in PEBB retiree term life insurance when you are no longer eligible for PEBB employer-sponsored benefits. You must submit this form to the PEBB Program no later than 60 days after your employer-sponsored coverage ends.

Deferral rights for surviving dependents of employees or retirees
A surviving dependent of an employee, a retiree, or a school district or educational service district employee who is eligible for PEBB retiree coverage under WAC 182-12-265 may defer enrollment under the circumstances listed below. If a surviving dependent defers enrollment in a PEBB retiree medical plan, he or she may not enroll in a PEBB dental plan.

• If a surviving dependent is continuously enrolled in a PEBB or Washington State K-12 school district sponsored medical plan as a dependent.

• Beginning January 1, 2001, if a surviving dependent is continuously covered under another comprehensive, employer-sponsored medical plan as an employee or the dependent of an employee, including COBRA.

• Beginning January 1, 2001, if a surviving dependent is continuously enrolled in medical coverage as a retiree or the dependent in a federal retirement plan, such as TRICARE.

• Beginning January 1, 2006, if a surviving dependent is continuously enrolled in Medicare Part A and Part B and a Medicaid program that provides creditable coverage. To be considered creditable coverage, the surviving dependent’s Medicaid coverage must include coverage for medical and hospital benefits. A surviving dependent’s eligible dependent(s) who are not eligible for creditable coverage under Medicaid may continue PEBB coverage.
To defer medical (or medical and dental) coverage, a surviving dependent must submit a Retiree Coverage Election Form to the PEBB Program:

- In the event of an employee or retiree’s death, a surviving dependent must submit the form no later than 60 days after the death.
- If a surviving dependent enrolls in PEBB retiree coverage as a surviving dependent and is eligible to defer coverage in the future, he or she must submit the form before deferring coverage.

Deferral rights for surviving dependents of emergency services personnel

A surviving dependent of emergency services personnel killed in the line of duty who is eligible for PEBB retiree coverage under WAC 182-12-250 may defer enrollment under the circumstance listed below. If a surviving dependent defers enrollment in a PEBB retiree medical plan, he or she may not enroll in a PEBB dental plan.

- Surviving dependent is continuously enrolled in comprehensive employer-sponsored medical plan including COBRA. The surviving dependent must submit a Retiree Coverage Election Form to the PEBB Program no later than 180 days after the later of:
  - The death of the emergency service employee.
  - The date on the eligibility letter from the Washington State Department of Retirement Systems or the board for volunteer firefighters and reserve officers.
  - The last day the surviving dependent was covered under a health plan through the emergency service employee’s employer.
  - The last day the surviving dependent was covered under COBRA coverage from the emergency service employee’s employer as described in WAC 182-12-250.

How do I enroll after deferring PEBB coverage?

If a retiree or surviving dependent deferred enrollment in PEBB retiree coverage, he or she may reenroll under the following circumstances, as long as he or she has had continuous enrollment in other coverage defined earlier in this section.

- During any PEBB annual open enrollment.
- No later than 60 days after the date other coverage ends. Enrollment will begin the first day of the month after other coverage ends.

Although a retiree or survivor has 60 days to enroll, the retiree or survivor must pay PEBB premiums back to when other coverage ended.

To enroll, submit a Retiree Coverage Election Form and proof of continuous enrollment in other medical coverage to the PEBB Program. Proof must list when the coverage began and ended.

If a retiree or surviving dependent deferred enrollment in PEBB coverage for federal retiree coverage, he or she has a one-time opportunity to enroll in PEBB medical and dental coverage.

How do I enroll after deferring PEBB coverage for Medicaid?

Retirees or surviving dependents who defer PEBB retiree coverage while continually enrolled in Medicare Part A and Part B and a Medicaid program that provides creditable coverage may enroll in PEBB coverage if they lose their Medicaid coverage:

- During any PEBB annual open enrollment.
- No later than 60 days after the date Medicaid coverage ends, or no later than the end of the calendar year when the retiree or survivor’s Medicaid coverage ends, if he or she was also eligible under subsidized Medicare Part D.

Retirees who defer enrollment may enroll in a PEBB health plan if the retiree receives formal notice that the Department of Social and Health Services has determined it is more cost-effective to enroll the retiree or the retiree’s eligible dependent(s) in PEBB medical than a medical assistance program.
When Coverage Ends

How do I cancel coverage?
If you wish to cancel your PEBB retiree coverage, you must submit your request in writing to:

Health Care Authority
PEBB Program
P.O. Box 42684
Olympia, WA 98504-2684

In most cases, plan enrollment will end at the end of the month in which we receive your written request. If you are enrolled in a Medicare Advantage plan, you must also send a completed PEBB Medicare Advantage Plan Disenrollment Form (form D) to us. We will send form D to your plan, which will remove you from coverage on the first of the month after the plan receives the form.

If you cancel your PEBB retiree coverage, you cannot enroll again later unless you regain eligibility for PEBB coverage, for example, by returning to state service.

What are my options when coverage ends?
You, your dependents, or both may temporarily continue your PEBB coverage by self-paying the premiums after your eligibility ends. Options for continuing coverage vary based on the reason you lost eligibility. See below for continuation options.

The PEBB Program will mail a Continuation of Coverage Election Notice booklet to you or your dependent when retiree coverage ends. You must apply to the PEBB Program to continue coverage no later than 60 days after the postmark on the Continuation of Coverage Election Notice booklet, or you will lose all rights to continue PEBB coverage.

Your dependents lose eligibility when you die; however, they may continue PEBB retiree coverage even if they were not covered at the time of your death. Your spouse or state-registered domestic partner may continue coverage indefinitely as long as he or she pays the premiums. Your other dependents may continue coverage until they are no longer eligible under PEBB rules.

If your spouse is no longer eligible due to divorce, he or she may continue coverage for up to 36 months under COBRA.

If your state-registered domestic partnership ends, PEBB will offer your domestic partner and his or her children an extension of coverage for up to 36 months.

If your dependent child is no longer eligible under PEBB rules, he or she may continue under COBRA for up to 36 months.

For information about your rights and obligations under PEBB rules and federal law, review the Continuation of Coverage Election Notice booklet.

PEBB retirees may choose a managed-care plan, Medicare supplement plan, Medicare Advantage

When does PEBB coverage end?
Health plan enrollment ends on the earliest of the following dates:

• When you or a dependent loses eligibility for PEBB benefits, coverage ends on the last day of the month in which eligibility ends.

• When you or your dependent declines the opportunity, is ineligible for, or chooses not to continue enrollment in a PEBB medical plan under one of the options for continuing PEBB benefits, then coverage ends on the last day of the month in which you or your dependent loses eligibility under PEBB rules.

• Coverage for you and your enrolled dependents ends on the last day of the month for which you last paid the full premium. PEBB charges a full month’s premium for each calendar month of coverage. The HCA will not prorate a premium if an enrollee dies or cancels his or her coverage before the end of the month.

• If an enrollee or newborn eligible for benefits under “Obstetric and Newborn Care” is confined in a hospital or skilled nursing facility for which benefits are provided when PEBB coverage ends, and the enrollee is not immediately covered by other health care coverage, contact the PEBB Program to determine whether you or your dependent qualifies for an extended benefit.

When Coverage Ends
plan, consumer-directed health plan, or a preferred-provider plan. Your options are based on what plans are available in your county and whether you are enrolled in Medicare Part A and Part B.

**Medicare options:**
- Group Health Medicare Plan (Medicare Advantage or Original Medicare coordination plan)
- Kaiser Permanente Senior Advantage
- Medicare Supplement Plan F, administered by Premera Blue Cross
- UMP Classic (Medicare)

**Non-Medicare options:**
**Managed-care plans**
- Group Health Classic
- Group Health Value
- Kaiser Permanente Classic

**Consumer-directed health plans** (CDHPs)
- Group Health CDHP (in-network and extended network)
- Kaiser Permanente CDHP
- Uniform Medical Plan (UMP) CDHP, administered by Regence BlueShield

**Preferred-provider plan:**
- UMP Classic

Generally, a classic plan has a higher premium than a value plan, but the classic plan's annual deductible and your costs at the point of service are lower.

A CDHP lets you use a health savings account (HSA) to help pay for out-of-pocket medical expenses tax-free. The CDHP has a lower monthly premium, a higher deductible, and a higher out-of-pocket maximum. All of your medical coinsurances and copays count toward your out-of-pocket maximum.

**You cannot enroll in this plan if you are enrolled in Medicare. You cannot enroll your spouse or a dependent who is enrolled in Medicare.**

While UMP Classic allows you to see any covered provider type, your costs may be lower if you see a provider in the plan's network.

PEBB retirees enrolled in Medicare Part A and Part B who select Group Health or Kaiser Permanente must enroll in their plan's Medicare Advantage plan if one is available in their county.

All PEBB plans (except Premera Blue Cross Medicare Supplement Plan F) coordinate benefit payments with other group plans, Medicaid, and Medicare. This is called coordination of benefits (COB). This coordination ensures benefit costs are more fairly distributed when a person is covered by more than one plan.

**Exception:** PEBB plans that cover prescription drugs will not coordinate prescription-drug coverage with Medicare Part D. All PEBB plans cover prescription drugs except Premera Blue Cross Medicare Supplement Plan F. If a PEBB member elects to enroll in Medicare Part D, the member must enroll in Medicare Supplement Plan F or lose his or her PEBB retiree coverage.

PEBB plans will not coordinate benefits with any individual health plan. This means how your PEBB plan pays for benefits will not change for a particular service or treatment, even if you or a dependent have an individual medical or dental policy covering that service or treatment.

You can compare some of the medical plans’ benefits in this booklet (see pages 34-41) and at [www.pebb.hca.wa.gov](http://www.pebb.hca.wa.gov).

**What do I need to know about the consumer-directed health plans?**

Group Health, Kaiser Permanente, and UMP each offers a CDHP. These plans offer lower monthly premiums and a higher annual deductible than typical health plans, and include a health savings account (HSA) to help pay for qualified medical expenses (per IRS Publication 969).

An HSA is a tax-exempt account that is set up with a qualified trustee to pay for or reimburse your costs for qualified medical services and expenses. HealthEquity, Inc. manages the PEBB members’ HSAs for Group Health, Kaiser Permanente, and UMP.

Some features of a CDHP/HSA:
- Your prescription-drug costs count toward the deductible and the out-of-pocket maximum.

continued
How the Medical Plans Work

- You can use your HSA to pay for services that the IRS considers qualified medical expenses, even if they are not covered by your plan.
- Your HSA contributions in 2013 can be pretax, up to $3,250 annual maximum for single coverage ($4,250 if you are age 55 or over), or $6,450 annual maximum for family coverage ($7,450 if you are age 55 or over).
- Your HSA balance can grow over the years, earn interest, and build savings that can be used to pay for health care as needed and/or to pay for Medicare Part B premiums.

Retirees should take special note of certain conditions attached to the CDHP/HSA. You cannot enroll in a CDHP/HSA if you:
- Or your spouse/state-registered partner are enrolled in Medicare.
- Or your spouse/state-registered partner are in VEBA, unless you convert it to a limited VEBA.
- Have received Veterans' Administration benefits (including prescription drugs) in the three months before you enroll in a CDHP/HSA, or have TRICARE coverage.
- Enrolled in a flexible spending account (FSA) health reimbursement arrangement (HRA), or VEBA account. This also applies if your spouse has an FSA, even if you are not covering your spouse on your CDHP. This does not apply if the FSA, HRA, or VEBA is a limited purpose or post-deductible FSA.
- Enrolled in another comprehensive medical health plan, for example on a spouse's or domestic partner's plan.
- Are claimed as a dependent on someone else's tax return.

Other exclusions apply, based on IRS rules. See IRS Publication 969—Health Savings Accounts and Other Tax-Favored Health Plans for details.

If you switch from a CDHP to another type of medical plan midyear, your annual deductible and annual out-of-pocket maximum will restart with your new plan.

Example: Carolyn is a retiree who enrolls in the Kaiser Permanente CDHP during the PEBB annual open enrollment. In August of the following year, she turns 65 and must enroll in Medicare Part A and Part B to keep her PEBB retiree coverage. She also cannot remain enrolled in the Kaiser Permanente CDHP. Carolyn may choose any PEBB plan available in her county and selects the Kaiser Permanente Senior Advantage plan. To date, Carolyn has paid $500 toward her plan's deductible and $600 toward her out-of-pocket maximum, but when she enrolls in Kaiser Permanente Senior Advantage effective August 1, her annual deductible and out-of-pocket maximum start over.

What do I need to know about the Medicare Advantage and Medicare Supplement plans?

Medicare Advantage plans are available from Group Health and Kaiser Permanente, but are not available in every county. When these medical plans offer a Medicare Advantage plan in your county, and you are enrolled in Medicare Part A and Part B, you must enroll in the Medicare Advantage plan.

These plans contract with Medicare to provide all Medicare-covered benefits; however, most also cover the deductibles, coinsurance, and additional benefits not covered by Medicare. Neither the health plan nor Medicare will pay for services received outside of the plan's network except for authorized referrals and emergency care.

Group Health also offers an Original Medicare plan for Medicare retirees who live in a county not served by the Group Health Medicare Advantage plan. The Group Health Original Medicare plan's benefits differ from the Medicare Advantage plan, but Group Health still coordinates with Medicare Part A and Part B.

Medicare Supplement Plan F, administered by Premera Blue Cross, allows the use of any Medicare-contracted physician or hospital nationwide. The plan is designed to supplement your Medicare coverage by reducing your out-of-pocket expenses and providing additional benefits. It pays some Medicare deductibles and coinsurances, but primarily supplements only those services covered by Medicare.
The PEBB Program does not offer the high-deductible Plan F shown in the Outline of Medicare Supplement Coverage that begins on page 38.

In Medicare Supplement Plan F, benefits such as vision, hearing exams, and routine physical exams may have limited coverage or may not be covered at all.

If you select Medicare Supplement Plan F, any eligible family members who are not entitled to Medicare will be enrolled in UMP Classic.

How can I compare the plans?

All medical plans, with the exception of Premera Blue Cross Medicare Supplement Plan F, cover the same basic health care services, although benefit enhancements, limitations, premiums, annual deductibles, annual out-of-pocket maximums, copays, and coinsurance may vary.

If you cover eligible dependents, they must be covered under the same medical and dental plans you choose (unless you select Medicare Supplement Plan F and your dependents are not eligible for Medicare).

As you review the plans consider:

Geography. In most cases, you must live in the plan’s service area to join the plan. See “2013 Medical Plans Available by County” on pages 32-33. Be sure to contact the plan(s) you’re interested in to ask about provider availability in your county.

Cost. As a retiree, you pay for your medical or medical/dental coverage. Keep in mind, higher cost doesn't necessarily mean higher quality of care or better benefits; each plan has the same basic level of benefits (except Medicare Supplement Plan F).

Special medical needs. If you or a dependent needs certain medical care, you may want to choose a plan that provides the optimum benefits and coverage for the needed treatment, medications, or equipment.

Note: Each plan has a different formulary, which is a list of approved prescription drugs the plan will cover.

Medicare. If you or your covered dependents are entitled to Medicare, you must enroll in Medicare Part A and Part B to keep your PEBB retiree coverage. You also cannot enroll in a consumer-directed health plan if you or a covered dependent is enrolled in Medicare.

Coinsurance vs. copays. Many of PEBB’s managed-care plans require members to pay a fixed amount (called a copay) or a percentage of an allowed fee (called a coinsurance) when you receive network care. UMP Classic and the consumer-directed health plans require members to pay coinsurance.

Deductible. All medical plans require you to pay an annual deductible before the plan pays for covered services. UMP Classic also has a separate annual deductible for some prescription drugs.

Some of your out-of-pocket costs do not apply to the plans’ annual deductible. The plans can tell you which benefits’ costs apply to the annual deductible.

Out-of-pocket maximum. This is the maximum amount you pay in one calendar year. Once you have paid this amount, most plans pay 100 percent of allowed charges for a majority of covered services for the remainder of the calendar year. The out-of-pocket maximum varies by plan.

For all plans except the consumer-directed health plans, the amounts you pay for prescription drugs, deductibles, and some copays and coinsurance do not apply toward your out-of-pocket maximum. The plans can tell you which benefits’ costs apply to the out-of-pocket maximum.

Referral procedures. Some plans allow you to self-refer to any network provider; others require you to have a referral from your primary care provider. All plans allow self-referral to a participating provider for women’s health-care services.

Your provider. If you have a long-term relationship with your doctor or health care provider, you should verify whether he or she is in the plan’s network before you join by calling the provider and plan directly.

Your family members may choose the same provider, but it’s not required. Each family member may select his or her own provider available in the plan’s network.

After you join a plan, you may change your provider, although the rules vary by plan.
Paperwork. In general, PEBB plans don’t require you to file claims. However, UMP Classic members may need to file a claim if they receive services from a non-network provider. Members enrolled in a consumer-directed health plan also should keep paperwork received from their provider or from qualified medical expense purchases to verify payments or reimbursements from their health savings account.

Coordination with your other benefits. If you are also covered through your spouse’s or domestic partner’s comprehensive group health coverage, call the medical and dental plans directly to ask how they will coordinate benefits. Note: Coordinating your PEBB plan’s benefits with your other plan’s benefits may save you money. But you cannot enroll in a consumer-directed health plan if you have other comprehensive group health coverage.

How to find the Summaries of Benefits and Coverage

For 2013, the federal Patient Protection and Affordable Care Act requires the PEBB Program and health plans to provide a standardized comparison tool of medical plan benefits, terms, and conditions. This tool, called the Summary of Benefits and Coverage (or SBC), allows plan applicants and members to compare things like:

- What is not included in the plan's out-of-pocket limit?
- Do I need a referral to see a specialist?
- Are there services this plan doesn't cover?

The PEBB Program and/or medical plans must provide an SBC (or explain how to get one) at different times throughout the year, such as when someone applies for coverage, upon plan renewal, and when requested. The SBC is available upon request in Spanish, Tagalog, Chinese, and Navajo.

2013 Medicare Plan Benefits Comparison

The chart below briefly compares the per-visit costs of some in-network benefits for PEBB plans. Some copays and coinsurance do not apply until after you have paid your annual deductible. Call the plans directly for more information on specific benefits, including preauthorization requirements and exclusions. Group Health and Kaiser Permanente offer Medicare Advantage plans, but not in all areas. If you are in an area where a Medicare Advantage plan is not available, your plan will enroll you in its Medicare coordination plan.

*Plan F also has an option called High Deductible Plan F. This high deductible plan pays the same benefits as plan F after one has paid a calendar year $2,000 deductible. Benefits from High Deductible Plan F will not begin until the out-of-pocket expenses exceed $2,070. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the contract. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan’s separate foreign travel emergency deductible.*

Please Note: The subscription charge amount charged is the same for all plan subscribers with certificates like yours. However, the actual amount a plan subscriber pays can vary depending on if and how much the group contributes toward a particular class of subscribers’ subscription charges.

SUBSCRIPTION CHARGE INFORMATION

We (Premera) can only raise your subscription charges if we raise the subscription charges for all certificates like yours in this state.

DISCLOSURES

Use this outline to compare benefits and subscription charges among plans.

READ YOUR CERTIFICATE VERY CAREFULLY

This is only an outline describing your certificate’s most important features. The Group policy is the insurance contract. You must read the certificate itself to understand all of the rights and duties of both you and your Medicare supplement carrier.

RIGHT TO RETURN CERTIFICATE

If you find that you are not satisfied with your certificate, you may return it to 7001 220th St. S.W., Mountlake Terrace, Washington 98043-2124. If you send the certificate back to us within 30 days after you receive it, we will treat the certificate as if it had never been issued all of your payments will be returned.

CERTIFICATE REPLACEMENT

If you are replacing another health insurance certificate, do NOT cancel it until you have actually received your new certificate and are sure you want to keep it.

NOTICE

This certificate may not fully cover all of your medical costs. Neither Premera nor its producers are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult Medicare and You for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

Be sure to answer truthfully and completely all questions. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

How the Dental Plans Work

You have three dental plans to choose from:

- **Uniform Dental Plan (preferred-provider plan)**
- **DeltaCare (managed-care plan)**
- **Willamette Dental Group Plan (managed-care plan)**

**Uniform Dental Plan (UDP)** is a preferred-provider plan administered by Washington Dental Service (WDS). This plan provides enrollees with the freedom to choose any dentist, but members receive a higher level of coverage when they receive treatment from dentists who participate in the WDS Delta Dental PPO plan (Group 5000). If you select a dentist who is not in the Delta Dental PPO network you are responsible for having your dentist complete and sign a claim form.

You can verify that your dentist participates in the Delta Dental PPO network by calling UDP at 1-800-537-3406 or using the search tool online at www.deltadentalwa.com/pebb.

**Note:** UDP does not mail ID cards but you may download one online.

**DeltaCare** is also administered by Washington Dental Service (WDS). Under this managed-care plan, you select a primary care dentist from the DeltaCare network. You must confirm that your dentist is in the DeltaCare PEBB network (Group 5100) that serves PEBB members, and you must receive care from your selected dentist. This is important, as you could be responsible for all costs if you receive care from a provider who is not in the DeltaCare PEBB network for PEBB members.

You can search for network providers at www.deltadentalwa.com/pebb using the Find a Dentist tool or verify a dentist’s participation by calling DeltaCare at 1-800-650-1583.

The **Willamette Dental Group Plan** is underwritten by Willamette Dental of Washington, Inc. To receive benefits, you must receive your care from a Willamette Dental Group provider. Willamette Dental Group has over 50 offices located throughout Washington, Oregon, and Idaho. You can find a list of Willamette Dental Group providers and offices at www.WillametteDental.com/WApebb or by calling 1-855-433-6825.

Because dentist and clinic participation with the dental plans can change, please contact the dental plans to verify dentists and clinic locations.

**Is a managed-care dental plan right for you?**

The table on the next page briefly compares the benefits and costs of the UDP and the managed-care dental plans. Before enrolling in a managed-care dental plan, it is important to consider the following:

- Is the dentist I have chosen accepting new patients? (Remember to identify yourself as a PEBB member.)
- Am I willing to travel for services if I select a dentist in another service area?
- Do I understand that all dental care is managed through my primary care dentist or network provider, and I cannot self-refer for specialty care?

If you are receiving continuous dental treatment (such as orthodontia) and are considering changing plans, contact the plans directly to find out if their plan will cover your continuous dental treatment.

**Are UDP and DeltaCare the same as Delta Dental?**

Washington Dental Service (WDS) is a member of the nationwide Delta Dental Plans Association. WDS administers several dental plans, including the Uniform Dental Plan (UDP) and DeltaCare. If you choose UDP or DeltaCare, be sure that you choose a WDS member dentist who participates in your plan’s network. Each plan has its own provider network.

Life Insurance

Eligibility
Eligibility is the same as for medical and dental plans, except retiree term life insurance is only available to those who:

- Meet the PEBB Program’s retiree eligibility requirements and had life insurance through the PEBB Program as an employee; or
- Are a retiree of an eligible employer group, K-12 school district, or educational service district who had life insurance through the PEBB Program as an active employee; and
- Are not on a waiver of premium due to disability.

Your dependents are not eligible for retiree term life insurance.

If you enroll in COBRA between the time you have PEBB employee coverage and the time you become eligible for PEBB retiree coverage, you cannot enroll in retiree term life insurance. The PEBB Program does not offer life insurance to COBRA enrollees and you cannot have a break in life insurance coverage.

Amount of insurance
The amount of insurance paid to your beneficiary is based on your age at the time of death, according to the following schedule:

<table>
<thead>
<tr>
<th>Age at death</th>
<th>Amount of insurance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 65</td>
<td>$3,000</td>
</tr>
<tr>
<td>65 through 69</td>
<td>$2,100</td>
</tr>
<tr>
<td>70 and over</td>
<td>$1,800</td>
</tr>
</tbody>
</table>

This insurance has no cash value.

Effective date
If you enroll when eligible and pay premiums on time, insurance becomes effective on your retirement date.

No exclusions
This plan covers death from any cause.

Disability
If you become disabled after the effective date of this insurance, you must continue making premium payments to keep your insurance in force.

Beneficiary
You may name any beneficiary you wish when you complete the enrollment form. If you should die with no named living beneficiary, payment will be made to your survivors in this order:

1. Spouse/state-registered domestic partner
2. Children
3. Parents
4. Estate

If you are married and wish to name someone other than your spouse/state-registered domestic partner as beneficiary, or if you have special estate planning needs, you should seek legal and tax advice before completing your beneficiary designation.

Claim filing
If you die, your beneficiary should submit a certified death certificate as soon as possible to ING Life Claims, P.O. Box 1548, Minneapolis, MN 55440-1548, or call them at 1-866-689-6990. Your beneficiary should also notify the PEBB Program of your death. We may share this information with the Department of Retirement Systems to better serve your survivors.

Insurance certificate
This is a brief summary of the retiree term life insurance plan. If you would like a copy of the complete insurance certificate, contact the HCA at 1-800-200-1004 or P.O. Box 42684, Olympia, WA 98504-2684. This insurance is provided by ReliaStar Life Insurance Company, a member of the ING family of companies.
The PEBB Program sponsors a voluntary group long-term care insurance plan for:

- Employees who are eligible for PEBB benefits
- Retirees who are eligible for PEBB benefits
- Spouses and state-registered domestic partners (including surviving spouses of eligible employees)
- Parents and parents-in-law (under issue age 80) of eligible employees

John Hancock Life Insurance Company (U.S.A.) is the underwriter for the group long-term care insurance plan (licensed in all states except New York; permitted in New York to service existing insureds and clients).

Family members must be issue age 18 or older to apply for coverage. All applicants must reside in the U.S. (50 states and District of Columbia) on the date they apply and the coverage effective date. This does not apply to employees and their spouses or state-registered domestic partners temporarily residing outside of the U.S. applying with their U.S. residence address. (All certificates will be mailed to a U.S. address.)

**Why should I apply for long-term care insurance?**

The need for long-term care can occur at any point during your life due to illness, accident, or the effects of aging.

Long-term care insurance covers services at home, in a nursing home setting, and other types of facilities. The mix of care settings and levels of care varies with different policies.

**Who helps coordinate what type of care is needed?**

John Hancock’s care coordinators are registered nurses or licensed social workers who are knowledgeable in long-term care. They will work with you and your family to find the care that is right for you and help you use your long-term care benefits wisely. However, you are not required to follow their recommendations.

**What are some features of the long-term care insurance plan?**

- **Premiums are based on your age at time of enrollment**—Your age when your coverage becomes effective determines your monthly premium rate. The younger you are when you enroll, the lower your cost will be.
- **Inflation protection feature**—This allows you to increase your coverage periodically, so that it helps keep pace with inflation. You can choose to accept or decline each inflation addition offer, allowing you to determine how much coverage you need.
- **Easy premium payment methods**—You have the option to pay premiums through direct billing or automatic bank withdrawal.
- **Full portability of coverage**—Even if you leave your job and are no longer eligible for PEBB benefits, you can continue your coverage at group rates.

**How do I apply?**

A retiree, his or her spouse or state-registered domestic partner, parent, parent-in-law, or surviving spouse may apply for long-term care insurance at any time by providing proof of good health. Proof of good health and approval for coverage by the carrier are required to enroll in long-term care insurance.

To request an enrollment kit from John Hancock Life Insurance Company (U.S.A.), you can either:

- Visit PEBB’s group long-term care website at [http://pebbltc.jhancock.com](http://pebbltc.jhancock.com) (user name: pebbltc password: jhancock), or
- Call John Hancock Life Insurance Company (U.S.A) at 1-800-399-7271.

This is only a brief summary of some of the features of the PEBB group long-term care insurance plan. Some plan features vary by state. More details about plan provisions and exclusions are available from John Hancock.
The PEBB Program offers voluntary group auto and home insurance through its alliance with Liberty Mutual Insurance Company—one of the largest property and casualty insurance providers in the country.

**What does Liberty Mutual offer?**

For PEBB members, this means a group discount of up to 12% off Liberty Mutual’s auto and home insurance rates. In addition to the discount, Liberty Mutual also offers:

- **Discounts** based on your driving record, age, auto safety features, and more.
- **A 12-month guarantee** on our competitive rates.
- **Convenient payment options**—including automatic payroll deduction (for employees), electronic funds transfer (EFT), or direct billing at home.
- **Prompt claims service** with access to local representatives.

**When can I enroll?**

You can choose to enroll in auto and home insurance coverage at any time.

**How do I enroll?**

To request a quote for auto or home insurance, you can contact Liberty Mutual one of three ways (be sure to have your current policy handy):

- Visit PEBB’s website at [www.pebb.hca.wa.gov](http://www.pebb.hca.wa.gov) and select Benefits, then Auto/Home Insurance.
- Call Liberty Mutual at 1-800-706-5525. Be sure to mention that you are a State of Washington PEBB member (client #8246).
- Call or visit one of the local offices (see box).

If you are already a Liberty Mutual policyholder and would like to save with Group Savings Plus, just call one of the local offices to find out how they can convert your policy at your next renewal.

**Note:** Liberty Mutual does not guarantee the lowest rate to all PEBB members; rates are based on underwriting for each individual. Discounts and savings are available where state laws and regulations allow, and may vary by state. To the extent permitted by law, applicants are individually underwritten; not all applicants may qualify.

³ These plans are available only to retirees not enrolled in Medicare. If you cover a dependent enrolled in Medicare, you must cancel your dependent’s PEBB coverage to enroll in this plan.

⁴ Also complete and return form B to enroll in Medicare Supplement Plan F. PEBB does not offer the high-deductible Plan F.

Section 6: Dental Plan Selection  
*Check only one. You must enroll in medical coverage to enroll in dental.*

If you select retiree dental coverage for yourself, you must keep dental coverage for at least two years. However, you may change retiree dental plans within those two years. Contact the plans for benefits information; their contact information is located at the end of this form.

2013 Retiree Coverage Election Form

Section 9: Signature  Required

By signing this form, I declare that the information I have provided is true, complete, and correct. If it isn’t, or if I do not update this information within the timelines in PEBB rules, to the extent permitted by federal and state laws, I must repay any claims paid by my health plan(s) or premiums paid on my behalf. My family members and I may also lose PEBB benefits as of the last day of the month we are eligible. To the extent permitted by law, PEBB may retroactively terminate coverage for me and my dependents if I intentionally misrepresent eligibility, or do not fully pay premiums when due. In addition, I understand that knowingly providing false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company is a crime, and can result in imprisonment, fines, and denial of PEBB benefits.

If adding a domestic partner to my account, I declare that my partner and I have registered through the Washington Secretary of State’s Office or another state.

If I send payment, this does not mean I will be automatically enrolled in PEBB insurance coverage. The PEBB Program will verify eligibility for me and my family members. If I am not enrolled in Medicare and apply to add a dependent to my PEBB coverage, I must provide copies of documents that verify the dependent’s eligibility within PEBB’s enrollment timelines or PEBB will not enroll him or her. If we do not qualify, I will receive a refund of premium payments.

I understand that if I enroll in retiree dental, I must remain enrolled in retiree dental for at least two years.

I understand if I or any enrolled family member is entitled to Medicare Part A and Part B, we must enroll and remain enrolled in Medicare Part A and Part B.

If I choose to defer medical/dental, I understand I can reenroll no later than 60 days after losing other health coverage or during the annual open enrollment period with proof of continuous enrollment. If I defer enrollment for myself, I cannot enroll my eligible family members unless I defer to enroll in Medicare Part A and Part B and a Medicaid Plan that offers creditable coverage.

I can defer enrollment in a PEBB health plan for:
- Comprehensive, employer-sponsored medical plan as an employee or dependent, including insurance coverage continued under COBRA, that is not retiree coverage.
- Enrollment in Medicare Part A and Part B, and a Medicaid program that provides creditable coverage.
- Enrollment in medical coverage as a retiree or dependent in a federal retirement plan, such as TRICARE.
- Enrollment in a PEBB or Washington State K-12 school district-sponsored medical plan as a dependent.

If I am enrolling in a consumer-directed health plan with a health savings account (HSA), I must meet HSA eligibility conditions. I understand that the PEBB Program will direct a portion of my monthly premium to an HSA based on the information I have provided, and that there are limits to these contributions and my HSA contributions, if any, under federal tax law.

If I die, my eligible surviving family members must complete an enrollment form to enroll in or defer PEBB retiree insurance coverage no later than 60 days after my death.

This form replaces all Retiree Coverage Election Forms previously submitted to PEBB. If I previously elected retiree term life insurance it will remain in effect until I cancel it.

If you are a retiree receiving benefits from the Department of Retirement Systems (DRS), the PEBB Program may share your information with the DRS to better serve you.

Proceed to section D
I, the undersigned, apply for enrollment with Premera Blue Cross (Premera). I represent that all statements and answers on this application are complete and true.

1. I am an eligible member of the group.

2. I have both Medicare Parts A and B in force today.

3. I understand that my coverage does not start until Premera accepts this application and assigns an effective date.

4. I authorize Premera, at its option, to pay doctors and other providers directly for health care I receive.

5. I understand that it is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purpose of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits.

6. I also understand and agree that Premera may cancel this coverage back to its start date as if I never had coverage at all, if it is found that I have supplied false information, or any information was omitted by me or for me, on this application, and that information is material enough to affect my eligibility for coverage. (Please note: After coverage has been in force for two years, coverage may no longer be canceled for this reason.)

7. I understand that Premera may collect, use, and disclose personal information about me as required or permitted by law or to perform routine business functions. Examples are to determine my eligibility for enrollment or to pay claims. If Premera discloses my personal information for any other reason, Premera will first take out any data that can be used to easily identify me, or will get my signed permission.

Be sure to sign and date this application, include all pages of the application and provide any proof required for “yes” answers in section C, when submitting to Premera for processing.

Please Note: If you have a Medicare supplement or Medicare Advantage policy today (including a Medicare HMO or PPO), you cannot be enrolled unless you intend to replace your current coverage. Please complete the “Notice to Applicant Regarding Replacement of Medicare Supplement or Medicare Advantage Coverage” form.

If you have any questions, please contact your benefit department or Premera at 1-800-817-3049 or TDD for the Deaf or Hard of Hearing at 1-800-842-5357.
Important Notes

1. You do not need more than one Medicare Supplement policy. If you currently have a Medicare Supplement policy or Medicare Advantage policy (including a Medicare HMO or PPO), you cannot be enrolled unless you intend to replace your current coverage. Please complete a replacement form. If you purchase this contract, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

2. You may be eligible for benefits under Medicaid and may not need a Medicare Supplement policy. Medicaid is a public aid program for people with low income. It is not the same as Medicare.

3. If, after purchasing this plan, you become entitled to Medicaid, the benefits and subscription charges under your Medicare Supplement contract can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare Supplement plan (or, if that is no longer available, a substantially equivalent plan) will be re-instituted if requested within 90 days of losing Medicaid eligibility.

4. Counseling services may be available in your state to provide advice concerning your purchase of Medicare Supplement coverage and concerning medical assistance through the state Medicaid program, including benefits as a “Qualified Medicare Beneficiary” (QMB) or a “Specified Low-Income Medicare Beneficiary” (SLMB).

5. If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated, if requested within 90 days of losing your employer or union based group health plan.

**HCA 51-576 (11/12)**
I understand that upon confirmation from CMS, the Medicare Advantage plan will send me written notice of my effective date. As of my enrollment effective date, all of my routine health services, including services provided when I am in the service area but my contracting medical group is temporarily unavailable or inaccessible, except for emergency services anywhere in the world or urgently needed services outside the plan's service area (or under unusual and extraordinary circumstances), will be covered by the plan or Medicare, except for emergency services anywhere in the world or urgently needed services outside the plan’s service area (or under unusual and extraordinary circumstances, provided when I am in the service area but my contracting medical group is temporarily unavailable or inaccessible). I understand that beginning on my effective date with the Medicare Advantage plan I have selected on the reverse of this form, all medical services, with the exception of emergency or urgently needed services outside the plan’s service area (or under unusual and extraordinary circumstances, provided when I am in the service area but my contracting medical group is temporarily unavailable or inaccessible), will be covered by the plan or Medicare, except for emergency services anywhere in the world or urgently needed services outside the plan’s service area (or under unusual and extraordinary circumstances). I understand the Medicare Advantage plan will release my information to Medicare, which may release it for research and other purposes that follow all applicable federal statutes and regulations. I understand that as a member of the Medicare Advantage plan, I have the right to appeal service and payment denials made by the plan.

Statement of Understanding

I understand that it is my responsibility to inform the Medicare Advantage plan I have selected before either permanently moving out of the service area or leaving the service area for more than six months in a row, and that my absence means the plan must disenroll me and return me to the original Medicare coverage. I understand that I may disenroll from this Medicare Advantage plan by sending a written request to the Medicare Advantage plan I have selected, and the PEBB Program, the Social Security Office, or the Railroad Retirement Board. Until confirmation of the effective date of disenrollment, I must continue to receive health care from the Medicare Advantage plan providers.

By enrolling in the Medicare Advantage plan, I authorize the CMS to provide information to the Medicare Advantage plan I select confirming my entitlement for Medicare Hospital Insurance Benefits (Part A) and Supplementary Medical Insurance Benefits (Part B) under Title XVIII (the Medicare Program) of the Social Security Act. I understand that I must maintain my Medicare Part A and Part B insurance by continuing to pay the Part B premiums and the Part A premiums, if applicable. I also authorize the Medicare Advantage plan’s provider or any other holder of medical or other relevant information about me to release to CMS or CMS’s agents any information needed to administer Title XVIII of the Social Security Act. I HEREBY AUTHORIZE any person including—but not limited to—physicians, hospitals, insurance companies and other organizations to release any information acquired by such person in the course of examination or treatment of myself, which is relevant to the provision of or coordination of benefits or the professional review activities. I understand that it is my responsibility to inform the Medicare Advantage plan I have selected before either permanently moving out of the service area or leaving the service area for more than six months in a row, and that my absence means the plan must disenroll me and return me to the original Medicare coverage. I understand that I may disenroll from this Medicare Advantage plan by sending a written request to the Medicare Advantage plan I have selected, and the PEBB Program, the Social Security Office, or the Railroad Retirement Board. Until confirmation of the effective date of disenrollment, I must continue to receive health care from the Medicare Advantage plan providers.

Note: Until you have received this written notification, you should not drop any supplemental insurance you have in effect now. This form represents your temporary Medicare Advantage plan identification card. Until you receive your Medicare Advantage identification card, please keep it with you and present it each time you require services from a contracted provider. Whenever possible, the Medicare Advantage organization provides the member, prior to the effective date, evidence of health insurance coverage so that (s)he may begin using the plan services as of the effective date.
Electronic Debit Service is only available to continuously enrolled self-pay PEBB subscribers. If you are making your first payment, you need to pay by check or money order.
