Welcome to the sixth grade! We are looking forward to you becoming a North Lake Bulldog. Please make your course selections from the list below. These choices will be our guide to creating a master schedule. If you have any questions, please contact the Counseling Center at 425-335-1554.

NOTE: All students will take a full year of core classes, which include Science, Wellness, Math, Social Studies and Language Arts. Please select your Language Arts, Math, and elective courses.

1. All students take a Language Arts class. Please select one.
   - □ Language Arts 6
   - □ Challenge Language Arts 6 (See course enrollment expectations)

2. All students take a Math class. Please select one.
   - □ Mathematics 6
   - □ Challenge Mathematics 6 (See course enrollment expectations)

3. Students will take one full year elective course.
   - □ Exploratory Rotation (One semester each of Art and Technology)
   - □ Band
   - □ Choir

Consider your choices carefully. We only make the number of classes available as are requested. Please read the course descriptions or call if you have questions 425-335-1554.
