**Adopted: 6-13-79**

## **OUTSIDE EMPLOYMENT**

### **POLICY:**

No district employee shall employ his/her time outside of his/her regular school working hours in such a manner that it would interfere with his/her efficiency or usefulness as a district employee. No district employee shall use the District's property, telephone, address, media, or equipment for advertising communication about or otherwise conducting outside employment or otherwise use his/her status as an employee of the District to advance his/her outside employment.
