ADMISSION OF STUDENTS TWENTY-ONE AND OVER

PROCEDURES:

The student shall petition the Superintendent for admission.

The petition shall identify the student's name, age, address, and grade level or program of study.

If approved, the petition shall specify the tuition fee to be paid, shall be signed by the student and the Superintendent, and shall constitute the written agreement required by law. It shall be retained as a public document and made available to the State Superintendent of Public Instruction upon request.

The tuition fee shall be calculated in the same way the State Superintendent of Public Instruction determines the cost of educating a student in the district, except that a handicapped student who turns twenty-one during the school year shall only pay that amount of money deemed as "excess cost."
