

POLICY NO. 5475.6
Adopted: 3-14-79

STUDENT ATHLETIC MEDICAL EVALUATIONS

POLICY:

Students who are participating in the Lake Stevens School District Athletic Program are required to have a physical examination from a licensed medical physician or surgeon within a period not to exceed twelve months prior to participation.

STUDENT ATHLETIC MEDICAL EVALUATIONS

PROCEDURES:

1. The school in which the participating student is enrolled must have on file a statement (or prepared form) from the examining physician certifying that his/her physical condition is adequate for the activity or activities in which he/she is participating.
2. To resume participation following an illness and/or injury serious enough to require medical care, a participating student must present to the school officials a physician's written release.
